ROLL 71

School: Uplawmoor Primary serves the village of Uplawmoor and some parts of Neilston. It is a single storey building, situated within walking distance of bus transport. The building contains four classrooms and a gym, which is also utilised as an assembly / dining hall. There is an annexe, which hosts a fully equipped ICT suite and library. The school benefits from an ample play area with extensive playing fields and an activity trail. Close links are maintained with Eastwood High School, Crookfur and Mearns Primaries, Isobel Mair School and Neilston and Madras Learning Campus.

Parents: The school has an active Parent Council and PSA who strongly contribute to the development of the school. Parental involvement at all stages is strong and actively encouraged.
