Class Teacher

Thank you for your interest in the above position. Manor Green Primary is an outstanding special school for pupils aged 2 – 11 with a wide range of learning difficulties and additional needs.

At present we have 16 classes covering the Early Years Foundation Stage, Key Stage 1 and Key Stage 2. There are 10 generic classes. Each class has 12/13 pupils and the class teacher is supported by 3 support staff. There are 6 classes for pupils with additional needs and there is a high staff/pupil ratio. To ensure that all pupils make rapid and sustained progress the curriculum is delivered to ensure that all pupils have a fully differentiated delivery.

The range of ability and need in each class is wide and teachers need to plan creatively and use their staff team effectively so that all children learn and make outstanding progress.

Our school prides itself on its innovatory curriculum where personalised learning needs are central to everything we do.

Creativity is the building blocks towards success and it is expected that the successful candidate can inspire learning by being an imaginative teacher.

Classes work in departments to support planning and professional development.

Our school is purpose built and houses a range of specialist facilities as well as very well resourced classrooms. All pupils have access to outdoor learning and opportunities for learning in the local community and beyond.

We work very closely with our local mainstream primary schools with outreach and in reach programmes in place to support individual pupils.
