Dear Applicant

12th February 2019

We are delighted that you are considering applying for the post of Headteacher at Riddings Infant and Nursery School. The vacancy has arisen as our current headteacher has sadly decided to retire at the end of the Summer term after nearly 15 years in post and we are looking for a special person to continue to lead our school forward.

The school was last inspected in January 2016 and has consistently been rated 'good' by Ofsted; the latest report can be viewed on our website. At Riddings Infant and Nursery School we believe all our children are different but special and you will be working in partnership with a very supportive Governing Body and an experienced and enthusiastic staff who are all committed to the continual improvement of the school.

Our new headteacher will have a passion for working in the Early Years and KS 1 and will demonstrate excellent experience and knowledge of these stages. We are looking for an inspirational leader with a clear vision to develop further teaching and learning across the school.

You are warmly welcomed to visit us by prior appointment with the school office and we look forward to receiving your application.

Yours sincerely

Alan Wilson
Chair of Governors
