Welcome

Thank you for your interest in the post of Teacher of Science at Ashlyns School.

The information included in this pack will give you an insight into our school and the high aspirations we have for our students.

Ashlyns is a popular and oversubscribed school. We became a full secondary school in September 2013 following the re-organisation of the education provision in Berkhamsted, and now have over 1,200 students. The school has undergone significant refurbishment with continuing improvements in progress as we expanded to eight forms of entry in September 2017. This is an exciting time to join our school and make your impression as we continue to develop and build on our success.

The school was rated 'Good' by Ofsted in September 2018 and is focused on rapid improvement in results with the aspiration to be rated 'Outstanding' at our next inspection.

Ashlyns is a thriving school with a rich heritage. Originally established to provide for the most vulnerable in society, the school continues to emphasise the traditional values of respect, honesty and hard work. These values, combined with high expectations, innovation and creativity, mean that Ashlyns is a school which encourages and helps students to develop and make the most of their abilities and interests.

If you want to provide outstanding learning opportunities for students within a forward-thinking, hard-working school community, we would like to hear from you.

Further information about Ashlyns School and details on the application process can be found in this pack. Additional information can also be found on our school website.

Headteacher

Aspire and Achieve

Ashlyns expanded from an upper school to a full secondary school in September 2013, enabling us to expand our staffing, intake and facilities and offer greater choice to students. As such we are, in effect, a 'new' secondary school with a strong history.

74% of students gained grades 9 to 4 in English and Maths this year, with 57% achieving grades 9 to 5 in both subjects. 22% achieved grades 9 to 7 in both subjects.

With our focus on improving standards, we confidently expect even better results this year.

We enjoy high retention rates into the Sixth Form with more than two-thirds of our students choosing to continue their studies at Ashlyns.

Students perform well in our Sixth Form with a high percentage of students each year going onto further education, including Russell Group universities.

Our Core Values

At its heart, Ashlyns has a well-motivated and reflective staff and governing body with a shared purpose, and students who are warm, positive and engaging. The school blends traditional values of respect, trust, honesty and hard work with forward thinking teaching and innovation. Our aim is simply to provide the best opportunities and support for every student to flourish and succeed. The successful candidate will, like the Governors and Headteacher, want and expect the best from, and for, all students.

Ashlyns is a thriving school and we welcome all applications from talented and ambitious professionals who would like to play their part in helping to shape the school's future.

Extra-Curricular Activities

The range of activities on offer is excellent and includes: World Challenge expeditions; Duke of Edinburgh Award Scheme; fantastic music concerts, tours abroad and school shows; a wide range of team games and fixtures; an extensive and broad range of curriculum based visits; a highly successful sports leader programme and numerous charity events.

Magnificent Site

Ashlyns School is located on the edge of the small market town of Berkhamsted in south west Hertfordshire. Our Georgian style listed building is an impressive sight. Built in 1935 as a foundling hospital, it is steeped in history; its very fabric has an ethos of looking after children. Our school has been used as the backdrop in films and TV programmes – most recently in Netflix's 'The Crown'.

Standing in a magnificent 40 acres of green belt land, we have ample space for a variety of sports and space for developing new facilities. We have recently completed phase two of our reconfiguration as a full secondary school with development of our sports hall and state of the art gym, which opened to staff, students and the public in September 2017. Working in partnership with a local community football club, we have established a full-size Astro turf pitch as part of our excellent sports facilities.

Science at Ashlyns School

The Science Faculty has a team of dedicated and experienced teachers supported by an excellent technical team, housed in specialist science laboratories and a separate science block. Courses are well resourced and we work as a supportive team. Students are motivated and obtain the full range of grades with Sixth Form students going to take Sciences and Engineering at Russell Group universities, as well as apprenticeships and vocational courses.

Learning is enhanced by a rich variety of trips, presentations and competitions offered at all key stages with an aim to empower students to explore the physical, biological, chemical and technological world we live in. Practical work is paramount to success as we encourage students to have the understanding to pose and answer questions about scientific research and the impact of science on our society.

Students in Years 7, 8 and 9 are tracked to ensure progression and consolidation, to help prepare them for GCSE courses. During Year 9 students complete KS3 and start their GCSE Science studies. A significant proportion of our Year 10 and 11 students take Triple Sciences making use of an option block.

At KS5 all 3 sciences teach Edexcel specifications (Biology is the SNAB specification). All students go on to take A Level and we are resourced for all core practical's and beyond.

Job Description

Post Title	Teacher of Science
Salary	MPS/UPS
Responsible to	Head of Faculty

The duties outlined in this job description reflect and develop those covered by the latest School Teachers' Pay and Conditions document:

<https://www.gov.uk/government/publications/school-teachers-pay-and-conditions-2016>

Job descriptions are subject to review and amendment. This job description may be amended at any time following discussion with the Headteacher and is to be reviewed periodically.

Expected "standards" to be reached and maintained are clearly defined within the school's Performance Appraisal (PA) documentation and should be referred to regularly for further clarification and specific detail.

MAIN (CORE) DUTIES

TEACHING AND LEARNING

- Carry out teaching duties in accordance with the school's schemes of work and the defined National Curriculum. To plan and deliver lessons and other learning activities in accordance with the school's Teaching and Learning Policy
- Liaise with other colleagues to deliver units of work in a collaborative way and contribute to the production and preparation of schemes of work (this contribution reflecting the post holder's level of responsibility)
- Work closely with teaching and other support assistants in delivering "personalised learning" whenever reasonably possible
- Set targets for student attainment levels (using prior data provided)
- Set work for students absent from lessons in line with the school's behaviour and teaching policies
- Within the PM framework, work towards or maintain the teaching standards applicable (see documentation in PM material)

ASSESSMENT AND RECORDING

- Maintain a "teacher planner" as prescribed in the school's policy, including the recording of attainment and effort marks, homework set, student attendance and lesson plans

- Mark and return work (using the school's marking and assessment policy) on a regular basis and at least once every 2 teaching weeks. Marking should include feedback for improvement and progress for each student
- Provide assessment reports when periodically required within the school's assessment cycle and additional "round robin" reports when specifically requested
- To ensure that suitably differentiated material and learning pathways are provided to challenge all students, regardless of their ability
- Liaise with parents on students' progress using the school diary system, letters, telephone calls and consultation evenings where reasonable and appropriate
- Work within the code of practice relating to special educational needs

PROFESSIONAL STANDARDS

- Support the aims and ethos of the school as defined in the staff handbook and school prospectus
- Set a good example in terms of professional dress and appearance, punctuality and attendance
- Uphold the school's behaviour policy, uniform regulations and code of conduct in a consistent, firm and non-confrontational manner
- Maintain a purposeful and calm atmosphere in the classroom and other learning areas and *consistently* apply the school's prescribed sanctions and rewards procedures
- To carry out suitable evaluation and analysis of examination results and performance at the beginning of the academic year (see PM documentation) and provide a suitable summative report indicating achievements and corrective actions which might subsequently follow
- As a consequence of the PA cycle, take responsibility for personal development and progression making full use of the school's professional development opportunities and training (refer to "Investors in People" documentation for more detailed information)
- Attend team and staff meetings as appropriate, contributing actively whenever possible

ADDITIONAL DUTIES

- To play a full part in the life of the school community, to support its distinctive mission and ethos and to encourage and ensure staff and students to follow this example

This position will also involve taking on other appropriate roles and duties as and when directed by the Headteacher

Person Specification

Teacher of Science

The Governors are looking for an exceptional teacher to play their part in driving and shaping the future of Ashlyns School.

Our person specification is underpinned by our educational philosophy. This centres around a shared view that a child's starting point should not define their destiny and an understanding of, and belief in, the difference that school can make.

The successful candidate will share a commitment to:

- our core values of respect, trust, honesty and hard work
- high standards of academic achievement for all students
- first class pastoral care, support and guidance
- developing the experiential element of school life to ensure that students leave our school as well-rounded individuals ready to take their place in the world

Application Guidance

Candidates should be aware that there are 3 components to the application:

1. HCC Job Application form (Teachers in Schools)
2. HCC Person Specification form
3. Covering Letter: this should not exceed 2 sides of A4 (font size no smaller than point 10)

All parts of each section should be completed. CVs will not form part of the application process and should not be submitted.

When nominating referees, please provide a telephone number and email address. One of these must be the Headteacher of your current school, if you are currently employed as a teacher. Please note that if you are short-listed your references will be taken up before the interview day.

If you are appointed, you will be required to complete an online Disclosure and Barring check. All posts in schools are exempt from the Rehabilitation of Offenders Act; this means you must declare all convictions, including those that would generally be regarded as 'spent'.
