

Whitehall Park School

LEARN ENJOY SUCCEED

- A brand new school building with fabulous facilities and outdoor spaces, including a panoramic roof top play area
- Our own creative curriculum which we have written and developed ourselves to provides opportunities for enrichment throughout the school day
- Excellent staff, many of whom have been trained as part of our own teacher training programme, ably supported by specialist teaching in Languages, PE and Music
- A rich and broad extended school service which caters for up to 120 children a day between 7.45 till 6pm offering a wide range of activities, from Street Dance, Ballet and Musical Theatre to Archery, Fencing and Spanish
- A curriculum that is brought to life through exciting cross curricular topics, enhanced by regular workshops, visitors, trips and special days
- We are passionate about working in partnerships with parents to ensure every child thrives and succeeds
- An energetic and enthusiastic staff team who are committed to unlocking every child's potential academically, emotionally, socially and physically
- We encourage each child to be passionate about learning and is "interested" and "interesting" as an individual
- We prepare each child for their future through our school values teaching them to be independent learners

"Whitehall Park School is an amazing school. It just has the right feel. There is a great mixture of high academic expectations, fun activities, core values and encouraging critical thinking"

"I cannot recommend Whitehall Park School enough. The staff are so passionate and nurturing and the level of teaching is excellent!"

"We are delighted with Whitehall Park School. The teachers are enthusiastic, hard-working and really care about the children, both as individuals and as a community."

Whitehall Park School

LEARN ENJOY SUCCEED

"Parents are thrilled with the high-quality education their children receive at Whitehall Park. They can see how teachers excite and enthuse pupils in stimulating lessons."

Ofsted

Whitehall Park School - a primary school for ages 4 - 11

Welcome from the Headteacher

Welcome to Whitehall Park School, a two form entry, primary school situated on Hornsey Lane, Islington N6. The children, their families and our community are at the heart of all we strive to achieve at Whitehall Park, and we provide many opportunities for children and their wider families to learn, enjoy and have fun together.

We have a highly qualified, dedicated team of staff who are committed to providing an amazing education for all our children and this is reflected in the way the way we teach our broad curriculum. Rich and varied topics, taught in exciting, fun and interesting ways enable our children to develop their interests through meaningful contexts.

At Whitehall Park School we have written and developed our own curriculum with support from our community and children which means it is tailor made to our school and offers enrichment, exciting experiences and opportunities that children will never forget. We encourage all aspects of our broad curriculum to be incorporated within overarching themes, which helps children to develop their creative, artistic, musical, sporting and knowledge and understanding of the world through an immersive approach to learning and this ensures that children make exceptional progress and achieve well at the end of each year. We are delighted that our end of key stage result are within the top ten schools in Islington and significantly above national averages.

In addition to our Whitehall Park School staff, we are well supported by specialist teachers in sports, music and languages, who also support us by providing a wide range of Extended School provision that offers opportunities such as archery, fencing, ballet, football, street dance, Spanish, French, Mandarin and much more.

We are extremely proud of all our children and what they have achieved since our school opened and we invite you to take a look at our website which will give you a sense of what it is like to be part of our enthusiastic, thriving and successful school community. If you have children who will be starting school in the coming year or would like to find out more about Whitehall Park School, we would be delighted to talk to you or show you around.

With warm wishes,

Laura Birkett
Headteacher

"The school's leadership team, together with those responsible for governance, provides an aspirational vision for all pupils"

"The school promotes pupils' spiritual, moral, social and cultural education very well. Pupils know how the school's values support their personal development."

Vision, Aims & Values

Whitehall Park School Vision

Learn. Enjoy. Succeed.

Blending the best of the independent and state sectors, we have unashamedly high expectations for every child academically, socially and emotionally by ensuring that children, staff and families work actively in partnership to enable all children to realise their full potential.

Our Aims

- For children to thrive and become independent learners and thinkers
- To inspire a love of lifelong learning
- To provide a relevant, exciting and broad curriculum for all
- For children to value themselves and their contributions
- To foster a sense of belonging within our community

School Values at Whitehall Park

We are a values-based school which seeks to promote an educational philosophy based on valuing self, others and the environment through the consideration of an ethical values vocabulary.

Values are principles that guide behaviour. At Whitehall Park School, all adults are encouraged to model values and to give time for reflective practices. We believe that this empowers individuals to be effective learners and good citizens. We promote and teach these values to our pupils to ensure they develop the skills to be good citizens now and in the future.

Following our discussions with children and families, we created our own Whitehall Park School values. We promote and teach these values to our pupils to ensure they develop the skills to be good citizens now and in the future.

Each half term we will lead a special values Assembly focusing on that half terms value. Teachers and staff will be promoting these values and embedding them into school life. At the end of each half term we will have another Values assembly where we will celebrate children who we feel have really embraced that value.

The values we have chosen are:

- Respect
- Independence
- Innovation
- Resilience
- Compassion
- Aspiration
