Dear Applicant,

This school is like a family, small but with a big heart.

Being a joint faith school makes us stand out from other schools. We are unique and valued people who flourish together as a Christian community. We also come together to support the local community and charities such as CAFOD.

The teachers are passionate about the welfare and success of their students and provide us with the best learning experiences and outcomes we deserve. The teachers have firm but fair approach with all the students and every day is a new start here at Holy Family.

Yours Sincerely
