

APPLICATION PACK FOR THE POST OF

PRINCIPAL OF BOYS SCHOOL

MiSK School, Riyadh, Saudi Arabia

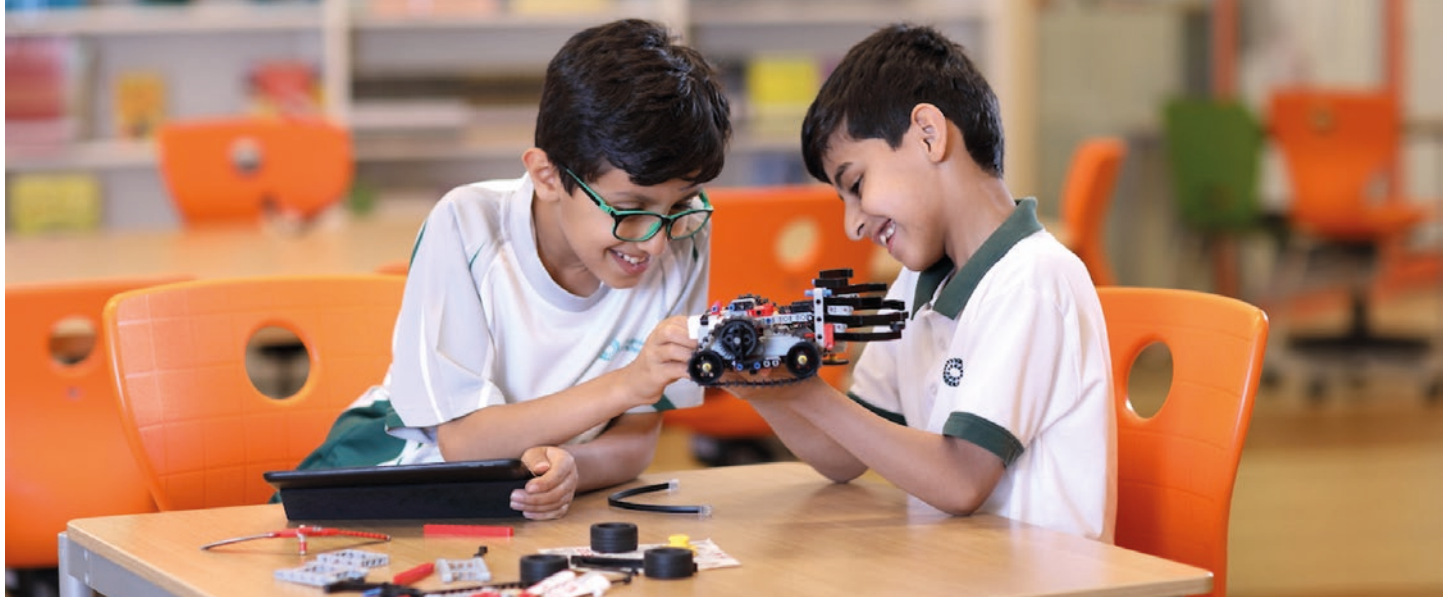

مدارس ميسك
Misk Schools

Pre-K to Grade 6 • Boys • 110 pupils

Required for August 2019, or as soon as possible thereafter

About the School

Innovation and creativity are at the heart of this school community with a drive to develop future leaders and innovators on a national and world stage. The student is at the heart of the process with personalised learning pathways tailored to the needs, aspirations and talents of each student.

The school promotes experiential learning through extensive links to partner organisations and a wide range of project and field-based experiences to enable students to link their learning to the real world.

The school's strong reputation for high quality holistic education is well established with a community of learners, students, teachers and leaders dedicated to the acquisition and application of knowledge and understanding.

The school is proudly rooted in Saudi values and heritage whilst also embracing multiple perspectives and an appreciation and respect for the global stage.

The school promotes an innovative curriculum, drawing the best from curriculum development globally, this includes the IB learner profile and early childhood education practice from countries such as Finland and Singapore.

The Appointment

The Principal of the Boys School shall be an academic leader with a deeply rooted understanding of early innovative education pedagogy and practice and who can aspire to reach the highest standards for the students through implementing creative approaches to teaching and learning.

Teachers should embrace the importance of developing professional learning cultures to create the very best opportunities for the students in their care.

The Principal of the Boys School should be a holder a higher degree with demonstrated success in school leadership and management.

The appointed candidate should be able to assume duties as of August 2019, or as soon as possible thereafter. However, MiSK Schools will be prepared to wait for the best candidate.

**The school is now seeking a
Principal of Boys School who:**

- has international educational exposure and perspective;
- has depth of understanding of innovative educational pedagogy and practice and has the ability to grow the school into the leading establishment in the world through creativity and partnership;
- has proven and successful experience in school leadership, possessing the flair and energy to take on a major international challenge.

Responsibilities and Duties

The Principal of Boys School will be responsible for:

- demonstrating professional educational leadership of the primary phase with the ability to influence further up the school as it expands through the Middle Years;
- working closely with the Director General and the Board to enable the school to continue to thrive;
- establishing and maintaining the highest standards of professionalism and integrity;
- reporting to the Director General and the Board about the School's operations and its strategic development;
- the health and safety of all students, including their spiritual, moral, intellectual, social, emotional and physical lives;
- the development and wellbeing of staff, including promoting a culture where learning and achievement are at the core.

Person Specification

The successful candidate should be committed to:

- Facilitating the development, articulation, implementation, and stewardship of a vision of learning that is shared and supported by the school community;
- Advocating, nurturing, and sustaining a curriculum which provides for innovation and intellectual fulfillment;
- Building a team of teachers committed to the highest standards and continuing professional development;
- Ensuring management of the organization, operations, and resources for a safe, efficient, and effective learning environment;
- Collaborating with families and partnerships, responding to diverse community interests and needs, and mobilizing community resources;
- Acting with integrity, fairness, and in an ethical manner.

Skills Required

The successful candidate should:

- Be a skilled and innovative education leader who can effectively lead a sophisticated school;
- Be a collaborative leader and team-player capable when necessary of decisive management;
- Be a confident and impressive communicator who will command the interest and imagination of staff, pupils and parents;
- Be an internationalist who understands the particular needs of students and families living and working in Saudi Arabia.

This post is subject to an enhanced DBS check or International Child Protection Check

An attractive package including accommodation and additional benefits will be extended to the successful candidate.

Experience and Education

The appointed candidate should:

- Be a change-leader aiming at excellence in all walks of school life with a drive for improvement and a culture of learning;
- Hold a University degree, a higher degree is desirable and be fully qualified as a teacher; IB PYP/MYP knowledge is desirable;
- Have already demonstrated success in school leadership and management;
- Have international educational exposure and perspective; capable of adjusting to the lifestyle in Saudi Arabia.
