April 2019

Dear Applicant

Business Studies Teacher

Thank you very much for your interest in the above position. We sincerely hope that the information below and enclosed within this application pack will encourage you to apply to our friendly and vibrant school.

We are a very welcoming school, one in which all staff are valued and all contribute to our strong caring ethos. Pupils are at the centre of all that we do but we can only succeed when all professionals work together, collaboratively and supportively, to ensure a positive, safe and calm learning environment in which all pupils can thrive.

Sawston Village College is a highly successful, inclusive 11-16 academy, in a beautiful part of south Cambridgeshire. Opened in 1930, it was the first purpose-built community college in England and we are proud of the fact that it is still heralded as a model for community education, with over 1000 members of the local community visiting each week to participate in learning, sporting or leisure activities. Our core focus, however, is the achievement and wellbeing of our 1060 pupils and in this we are performing consistently amongst the very best schools in the country. In 2018, the College achieved well above national averages in the new GCSEs at all levels including 68% gaining grade 5+ in English and Maths and over a third of all grades at grade 7 or above. Academic success, of course, is only one measure and, as a Platinum Artsmark school, we are equally proud of our extensive extra-curricular offer as well as our aim to help all pupils leave with confidence, enriched experiences and ambition for the future.

This success is based upon the following key principles. Firstly, a firm commitment to the principle that all pupils, regardless of ability or background, are able to achieve their potential and have the best opportunities to succeed in education, employment and life. Secondly, a belief in recruiting, developing and retaining the very best staff, by providing varied and exciting personalised opportunities for professional development, and a caring, supportive environment with an emphasis on teamwork, collaboration and well-being. Thirdly, we know that teaching and learning can only flourish where pupils are well behaved and respectful. Therefore, we have high expectations and set high standards enabling staff and pupil to feel safe and happy.

We are now looking for a dynamic teacher to lead the delivery of GCSE Business Studies. The subject is an integral part of the broad and balance curriculum that we offer and its content and skills have proved popular with both pupils and parents. This post would suit a teacher looking for part time work or a full time applicant with the ability to offer a second subject, and applications are warmly welcomed from newly qualified teachers as well as those with more experience.

If you wish to apply, then we would be delighted to hear from you. To apply, you must complete our application form in full, paying close attention to the guidance, and submit it with a covering letter. Please confine your letter to no more than two pages of A4, font size 11. Please pay particular attention to the job description and person specification in writing your letter, focussing on how your past experience has suited you for this post, the skills and qualities you would bring to it and details of any additional subject you can offer. CVs will not be accepted.

Your application should reach the College no later than noon on Tuesday 23 April and interviews will take place on Friday 26 April. If you have not heard from us two weeks after the closing date, you should assume your application has not been successful.

As you would expect, the College is committed to the safeguarding of children and young people. If you are invited to interview, you will be asked to provide the following:

- a completed disclosure of criminal record form;
- notification of any relationship with any pupil, employee, governor or trustee;
- details of any child protection investigation that you may have been subject to;
- a signed and dated hard copy of your application form and covering letter if you originally submitted them via email;
- documentation to allow a DBS check to be undertaken
- evidence of your right to work in the UK
- original qualifications certificates

Full details of the documents required will be sent with your invitation to interview.

Sawston Village College is a highly professional and exceptionally friendly, caring and enjoyable place in which to work and teach. On the outskirts of Cambridge, we are also fortunate to be so close to a culturally iconic city with so much to offer for families and young people. Since starting at the school 13 years ago, it has been a privilege to see the school grow in confidence and reputation, thanks to the high quality of work that the school does for its young people and the community, and through the hard work of such a dedicated group of staff. As the new Principal, I am looking forward to the exciting opportunities ahead and hope that you feel inspired to join us.

Thank you, in anticipation, for the time you will give to your application.

Yours sincerely
