

Cheslyn Hay Academy

Faculty Director – Humanities & Social Science

The Humanities and Social Science faculty includes geography, history, religion, philosophy and ethics and social sciences

Curriculum

Key Stage 3

Students are taught geography, history and RPE in mixed ability groups across Years 7, 8 and 9, offering a broad and balanced curriculum at the end of Key Stage 3.

Key Stage 4

Students are currently taught a vast range of subjects across the Humanities faculty, these include:

- AQA GCSE Geography
- AQA GCSE History
- AQA GCSE Religion, Philosophy and Ethics
- OCR Cambridge National Health and Social Care

Class sizes and student numbers within groups can vary depending on choice, however, the arts subjects have a healthy interest and we currently have many classes being taught by our specialist staff.

Key Stage 5

We have a proud to offer direct pathways into Key Stage 5, which include the below subjects:

- AQA Geography A-Level
- AQA History A-Level
- OCR Philosophy and Ethics A-Level
- AQA Psychology A-Level
- AQA Sociology A-Level
- OCR Level 3 Cambridge Technical Health and Social Care

Accommodation and Resources

Each department is well equipped with a wide range of specialist classrooms and equipment, with each classroom directly linked to the school computer network.

Staffing

There are a range of staff and TLR roles across the Humanities and Social Science Faculty, including:

- Assistant Faculty Directors
- Head of departments
- Lead teachers
