Dear potential applicant,

Thank you for your interest in applying for a job at Selly Park Girls’ School. We are a school where we put students at the centre. We want every student to be kind to others, aspirational and ambitious in what they can achieve. We want to ensure that our students can reach their potential in a supportive, inclusive and nurturing environment. This is reflected in our four pillars school ethos.

We attract staff who are committed to making a difference in the lives of our pupils. From teachers, governors and senior leaders to administrators and support staff. Everyone has a role to play in the success of the school.

We are very proud of this success. As well as OFSTED designating us an ‘Outstanding School’, achievement and progress are at consistently high levels. Students make nearly half a grade more progress (+0.48) than students nationally through their enjoyment of a diverse and rich curriculum taught by a range of skilled practitioners. We are also proud of our history and teachers enjoy teaching in beautiful, ornate Victorian buildings which are complemented by recently built, modern, state of the art facilities.

Selly Park Girls’ School provides all staff with access to a wide range of CPD and training opportunities, which we hope you will lead and benefit from. We value our staff as professionals and collaborative work is the key to our success. We want our staff to support each other, to share best practice, to work alongside local schools and agencies, to engage the local community and support families. We have a lively health and well-being programme which takes place at the end of every term and we have recently formed a workload committee. We are determined that staff achieve a healthy work/life blend so that they are happy and have the energy to have a decisive impact whilst at school.

If you are someone who thrives on challenges and believes in the potential of all young people, then we look forward to receiving your application. I would be delighted if you would visit the school so we can meet beforehand to give you the opportunity to tell me about your ideas and shared vision. Please contact me direct on 0121 472 1238 ext. 208 or Samantha Bunn, HR Manager on ext. 278.

Yours faithfully

THE SCHOOL

Selly Park Girls’ School is a six form-entry girls’ community school for pupils aged 11 to 16 years, which currently has 700 pupils on roll with 140 students being admitted in each year. We have plans to extend this to 160 students per year, as we respond to parental demand.

The school occupies buildings, which range from 1 to 110 years old, including extensive technology workshops, science laboratories and recently refurbished and extended library facilities. The site also includes a Sports Hall building housing modern sporting facilities, which are made available to staff outside school hours.

The school’s ethos is built on four pillars: inspirational teachers, kind and aspirational students, engaged stakeholders and a vibrant environment.

We are proud of the multi-cultural nature of our school and have a proven track record for promoting community cohesion at the local, national and global levels.

Selly Park was last inspected by Ofsted in January 2009. The school achieved an ‘Outstanding’ grade. We actively invite consultants into school to carry out reviews as we continue to drive school improvement.

OUR PROUD HISTORY

The school opened in 1909. The school was originally built as three separate schools; a mixed infant’s school, a mixed junior school and a girl’s senior school. These three schools were merged in the 1950s and became Selly Park Girls’ School. Since that time the building accommodation has been extended to include Technology and Science facilities, which were added in the late 1950s and refurbished in the 1990s.

In the era of specialist schools in the mid-1990s, we were renamed Selly Park Technology College for Girls. However, From September 2018, we were proud to revert to our historic name and be officially known as Selly Park Girls’ School. We believe we are innovative and forward thinking and prepare our students for an exciting future in the world of work, alongside taking the very best of traditions and values that have served the school so well in the past. Indeed, we are very proud of the link we have with our alumnae and house an annual school reunion in the summer term. The change of name coincided with the new branding, a new school uniform and new mixed ability forms which were named after inspirational women.

The school sports hall was built in 2006 utilising funding from the National Lottery. During 2014, a new build extension was added to increase dining facilities and teaching accommodation. The school reception area has been re-modelled to meet DDA requirements and the school library has been relocated to purpose-built accommodation formally occupied by the old gymnasium, to support our students with all aspects of learning.
THE GOVERNING BODY

The school is governed, in accordance with an Instrument and Articles of Government, by a governing body of 16 members, comprising:

- 2 Parent Governors
- 1 Governor appointed by the Authority
- 1 Staff Governor
- 11 Co-opted Governors and
- The Head Teacher

The governing body meets approximately 8 evenings a year.

It is expected that the governors will take an active interest in the life of the school and will be invited to all appropriate school functions.

THE SENIOR LEADERSHIP TEAM

The Senior Leadership team is made up of the following members:

- The Head Teacher, Lisa Darwood.
- Five Assistant Head Teachers (one is on maternity leave until November 2019)
- A Data Manager.

In addition, the Head Teacher is supported by a Business Manager and an HR Manager.

Each Assistant Head Teacher takes responsibility for a Year group (supported by a Head of Year) and takes strategic responsibility for an important element of the leadership and management of the School.
SENIOR LEADERSHIP TEAM

BUDGET

The S251 delegated budget for 2019/20 is £4.227m. The school also received Pupil Premium Grant funding of £345k and Devolved Capital funding of £15.7k.

In addition to these budget allocations the school held significant carry forward balances, which were earmarked for further development of targeted intervention strategies, major enhancements to facilities and essential structural improvements to the school buildings.

ORGANISATION AND CURRICULUM

We offer a broad and balanced curriculum at Selly Park. All students study Maths, English, Science, Geography, History, Design and Technology, Religious Studies, Music, Modern Foreign Languages, Art, PE, Art, Drama, ICT and PSHEE in KS3.

In KS4 all students study Maths, English, Science, Design and Technology, PE and PSHEE. Students can choose from a range of options such as: Business, Urdu, Health and Social Care, Creative Media, BTEC Sport, ICT, Art, Music, Urdu, French, Psychology, History, Geography and RE.

All subject areas within our school curriculum have adopted the Spiral approach to learning. Each department has developed a detailed programme of study that is designed and delivered in a way that allows pupils to transfer key knowledge to long-term memory.

It is sequenced so that new knowledge and skills build on what has been taught before. All subject areas have details of their curriculum on the school website.
As a school we have developed an extensive range of opportunities for pupils outside of the classroom. The Selly Park 7 has been designed to provide all pupils with a wide range of local and national experiences that enhance the students’ learning journey. These sequences of events build year on year, from the volunteering in the local community in year 7, to the world of work at the end of Year 11.

Over the course of the five years spent at Selly Park Girls’ School, the Selly Park 7 will help learners remember in the long term the content they have been taught and to integrate new knowledge into larger concepts.

Students take their options in the January of Year 9 and make well informed choices after rigorous support: including assemblies and a very popular options evening. The number of Ebacc entries is on the steady increase and will comfortably reach the government target of 75%.
Our careers provision is excellent: virtually all of students go on to post sixteen education. Those that don’t have a wealth of apprenticeships available to them. We have very close relationships to several post sixteen providers.

SMSC is embedded through the curriculum: it appears on all department’s schemes of work and lesson plans. We use a SMSC auditing grid to track, monitor and evaluate SMSC provision across the school. The online grid allows us to record all SMSC development opportunities that are provided for our students across the curriculum. There are prizes and certificates awarded to ‘Department of The Month’ for outstanding practice.

Religious Education is provided in accordance with the Authority’s ‘Agreed Syllabus’. The religious beliefs of all pupils and their parents are respected, and appropriate arrangements are made for the withdrawal of pupils from SRE lessons, RE and acts of worship, when parents request this.

The timetable operated on a one-week timetable. It is structured in the following way:

- There are two parallel year halves known as Red and Blue.
- The year halves are equal in size.
- There are three classes on the Red Side which are named after rivers (Arrow, Cole and Tame).
- There are three classes on the Blue Side (Bourne, Derwent and Rea).
- There is room for setting in English, Maths, Science and Technology.

A more detailed breakdown of the deployment of hours can be seen over leaf.

We are looking for a Deputy Head who can lead us on our road to continuous improvement in terms of curriculum, teaching and learning and assessment. Mathematics is one department where we are making exciting innovations in curriculum and leadership. The successful candidate would have the opportunity to shape this.

**Forms**

In July 2018, after consultation with staff and students, students were placed in six, mixed ability forms which were named after the six inspirational women outlined below.
Emotional Health and Well-being

At Selly Park, the development of Emotional Health and Well-being has always been a priority in ensuring our young people become successful learners, confident individuals and responsible citizens.

All pupils follow a discreet programme of Personal, Social, Health and Economic Education throughout both Key Stages. The programme has been tailored specifically to the needs of our pupils and follows guidelines provided by the Department of Education. We have two highly trained pastoral managers whose sole purpose is to protect and enhance the emotional well-being of all our students.

OUR STUDENTS

The best feature of our school is our students. They are friendly, well behaved and inquisitive. Some of students come from some of the deprived wards in Birmingham and 57% qualify for the Pupil Premium. We are proud of the multi-cultural nature of our school and you can see the range of ethnicities below. 73% have English as an additional language. Despite these barriers, the school is thriving and allows these students to be socially mobile due to their academic excellence: Progress 8 of our disadvantaged students was +0.29 last year and our EAL students achieved +0.50.
We value the support of parents and carers and are aware that our success is due to the strong partnership which exists between parents, pupils and the school. In order to do this, we place great importance upon good communication between the school and our parents.

In addition to parents’ evenings, routine letters home and a regularly updated website, Selly Park provides a variety of other means to keep parents informed and involved. These include a Key Stage 4 Introductory Evening, a Parents Evening for Year 7 in the autumn term to support the transition process and a Key Stage 4 Study Skills session to provide guidance to parents on how to help students succeed at GCSE. Each Parents’ Evening will have a specific focus designed to support parents in understanding a variety of aspects of school life.

We invite parents to attend musical concerts, presentation award ceremonies and briefings prior to residential trips abroad. Our popular end of term newsletter gives parents a flavour of events and activities throughout the term and we would suggest you read one before you make an application. We often invite feedback from parents in a variety of ways and share outcomes of the feedback on the website. Members of the Pastoral Team visit and telephone parents as the need arises. We also contact parents on the first day of a pupil’s absence. We consider our parental involvement to be highly effective and we achieved the LPPA this year – Leading Parent Partnership Award - in recognition of the work we have done to strengthen Home/School Partnerships.

**INTERVENTIONS AND SUPPORT**

The school has a Homework Club which is open each school day from 7:45am until morning registration. The Homework Club is open after each school day until 5:00pm. Many departments run a range of other activities to enhance and encourage pupils in their learning.
The Saturday School Club is open on Saturdays from 9:00am until 3:00pm for pupils in Year 10 and Year 11 to support them in their studies. There are regularly over one hundred pupils in attendance.

The school arranges a number of intervention programmes throughout the school holidays. These include programmes for Year 10, Year 11 study and Year 7 Summer School.
