Headteacher: Mrs M John

TEACHER OF MATHS

Required September 2019

Due to the expansion of the school, we wish to appoint an enthusiastic and inspiring Teacher of Maths to join our successful and expanding department where Maths and Further Maths is taught up to 'A' level. The department is well led and a dedicated team of specialists and students enjoy an excellent range of extra-curricular activities related to maths, both in and out of school.

As a Mathematics and Computing Specialist School we offer not only excellent maths teaching for our students but the ability to extend their maths knowledge and understanding beyond the classroom. Close links with local schools and universities, including Cambridge University, mean that students at Stanborough can enjoy some superb maths opportunities throughout the school. 'A' level teaching can be offered to suitable applicants.

For suitably experienced candidates a Year Leader post is available at the school which carries a TLR of £7,854. If you are interested in this additional responsibility please indicate this in your letter of application.

This post would equally suit an experienced teacher or a newly qualified teacher for whom excellent induction and support is provided. If you are in training we offer the opportunity for a July start. An excellent induction and support programme will be available to all applicants.

For an informal discussion about the post or to arrange a visit prior to application please contact Tim Braybrook, Deputy Headteacher – tbraybrook@stanborough.herts.sch.uk

Applications are invited by letter to Mrs M John, Headteacher, (no more than 2 sides of A4) together with a Stanborough application form. Further information and application forms are available on our website: www.stanborough.herts.sch.uk
