Bohunt Horsham Headteacher: Ms G Ayling BA (Hons)

February 2021

Dear Applicant

Re: Head of Faculty (STEM) at Bohunt Horsham

Thank you for your interest in the post of Head of Faculty (STEM) at Bohunt Horsham. I am seeking a highly skilled teacher who is ready for the challenges and opportunities of cross-curriculum leadership and the development of a new all-through school. We opened to Year 7 in September 2019 and will move into our new purpose-built school in 2021 with three year groups. Our primary phase is scheduled to open in 2023 and I am looking for passionate colleagues to join our existing team and make a difference.

Our vision for Bohunt Horsham:

All children at Bohunt Horsham will enjoy learning, they will build memories and develop a love of learning that lasts a lifetime, they will develop a secure foundation of respect for themselves, respect for others and respect for the world around them and they will achieve exceptional outcomes both academically and personally.

Our vision for this role:

The post of Head of Faculty is vitally important one; you will be part of a team that has a positive impact on the lives of young people and their families in Horsham. The STEM Faculty will include Maths, Science, Technology, Food Technology and Computing. You will work collaboratively both within the school and across the Trust to establish a curriculum that achieves exceptional outcomes for our students and supports our ethos of enjoy, respect, achieve. Bohunt Horsham will embody this ethos for both its students and its staff; I am looking to expand my team of colleagues who support and challenge each other. The opportunities for your own career development within this role and as the school grows are broad; the successful candidate will be a driven and ambitious colleague who will help me to shape this ethos as reality in the trust's first all-through school. You will be supported and directly line-managed by me and will also be supported by a team of excellent leaders within Bohunt Education Trust.

The Bohunt Education Trust:

At BET, we nurture and support your professional ambitions by providing opportunities for training, development and progression, whatever stage you have reached in your career. BET's approach to teaching and learning is innovative and immersive – a rich blend of the latest education thinking, technology and practice both in and outside the classroom. We set the highest expectations for ourselves and our students, and this is reflected in our results and Ofsted progress. Across all our schools, we have introduced a range of game-changing teaching methods, including language immersion in Mandarin, cross-cultural projects with Sweden, China and Germany, and an integrated science, technology, engineering and maths (STEM) curriculum developed in partnership with business and industry. Bohunt Horsham will be the first all-through school in the trust and will provide additional opportunities for professional development with the opportunity to work across educational phases.

Bohunt Horsham is committed to safeguarding and promoting the welfare of children and young students and expects all staff to share this commitment. The successful applicant will need to undertake an Enhanced DBS check.

I welcome applications from candidates with a proven track record of leadership or the ability to demonstrate potential; I ask that you take the time to consider carefully the roles laid out in the job description. Applying
