

## **Job Title: MYP Maths Teacher**

### **Position Summary:**

We are seeking a passionate and experienced **Mathematics Teacher** to join our team and deliver engaging, high-quality instruction in MYP Mathematics. The ideal candidate will be responsible for tailoring lessons to meet the diverse needs of students, fostering a deep understanding of mathematical concepts, and contributing to the overall academic success of our school.

### **Key Responsibilities:**

- **Teach MYP Mathematics:** Deliver engaging lessons aligned with the MYP Mathematics curriculum, focusing on the development of critical thinking and problem-solving skills.
- **Differentiated Instruction:** Adapt teaching methods and materials to suit the varied learning styles, strengths, and abilities of all students, ensuring that each student reaches their full potential.
- **Curriculum Planning:** Design and implement detailed lesson plans that cater to the MYP Mathematics framework, fostering a solid understanding of key mathematical concepts.
- **Assessment & Evaluation:** Develop, administer, and assess a variety of tasks and tests to monitor student progress, providing timely, constructive feedback to both students and parents.
- **Student Support:** Offer additional support through extra lessons, one-on-one tutoring, and mentoring for students needing further assistance.
- **Collaboration:** Work collaboratively with the Mathematics Department and other subject teachers to create interdisciplinary units and projects that enhance student learning.
- **Extracurricular Involvement:** Lead and support extracurricular activities such as math clubs and other events related to mathematics.
- **Professional Development:** Engage in continuous professional learning to stay updated with the latest in math education, IB methodologies, and the integration of technology.

### **What We're Looking For:**

- Bachelor's degree in Mathematics, Mathematics Education, or a related field is a must.
- A teaching qualification (e.g., PGCE, QTS, teaching credential) is preferred.
- A minimum of 5 years of experience teaching mathematics at the secondary school level, with familiarity in adapting lessons for diverse learning needs.

- Proven experience in teaching MYP Mathematics would be an advantage.
- Strong knowledge of the IB MYP curriculum and assessment strategies.
- Ability to inspire and engage students, promoting a love of mathematics and fostering a positive learning environment.
- Excellent organizational, communication, and classroom management skills.
- Proficiency in using digital tools and technology to enhance teaching and learning.
- Fluent English Language (C1-C2).

**Personal Attributes:**

- Passionate about mathematics and dedicated to helping students achieve academic excellence.
- Enthusiastic about tailoring lessons to meet the diverse needs of students and fostering a love of the subject.
- Collaborative and flexible, with a willingness to contribute to a dynamic and supportive team.
- Culturally sensitive, committed to creating an inclusive and respectful learning environment for all students.

**Recruitment process:**

- Panel interview including Head of school, Maths Faculty Lead and Employee Success Manager (30-45 minutes).
- Online trial lesson (60 minutes).
- Final interview with the Founder and CEO (20 minutes).

**Additional Opportunity: House Parent Role**

This position includes the possibility of taking on additional responsibilities as a House Parent in our Boarding House. Teachers who assume this role will have the unique opportunity to reside in an apartment on the Boarding House premises.

**House Parent Responsibilities Include:**

- Ensure the safety, wellbeing, and pastoral care of boarding students.
- Supervise daily routines, including meals, study, and bedtimes.
- Build positive relationships and provide mentorship to students.
- Organize and oversee recreational and community-building activities.
- Maintain communication with parents and school staff regarding student welfare.
- Uphold and enforce boarding house rules and policies.
- Ensure a safe and inclusive environment for all borders.

- Have a solid understanding of international child protection and safeguarding regulations and expectations

This is a rewarding opportunity to create a positive and supportive home-away-from-home experience for students.
