Dear Applicant

Thank you for showing an interest in our

Head of School Vacancy.

The school is currently undergoing a period of change with the headteacher of the last seven years retiring and governors appointing a new Executive Headteacher. The school is also expecting to expand in 2017-18 and the Head of School will be a key player in supporting the school through these changes and as it gets used to having a different staffing structure.

The governors of Beechcliffe are looking for a Head of School who is ready to work with them and the Executive Headteacher to lead the school through its next stage of development and to secure the school as an excellent provision for students with special educational needs.

The successful candidate will lead the school on a day to day basis and have significant responsibility for the pupils, staff, building, safety and finances as well as ensuring the support for parents and collaborative working is of an exceptional standard.

If you wish to discuss the post further or would like a tour of the school, please contact the school, leaving a contact number above and I will get back to you to discuss this as soon as possible.

Once again, thank you for your interest in this post and I look forward to receiving your application.

Regards

Sue Haithwaite
Executive Headteacher
