## **Teacher of Design and Technology - Full-Time Temporary or Permanent**

### **Main/Upper Pay Scale (including OLW)**

We seek to appoint a well-qualified, enthusiastic graduate teacher of Design and Technology from 1st September 2019, or as soon as possible thereafter, to join a highly successful department in a selective school that has been rated by Ofsted as outstanding for over a decade. This is an opportunity to work in a friendly and supportive environment which encourages professional development. We welcome applications from both experienced teachers and NQTs.

This is an exciting opportunity for a dynamic candidate with a vision for the increasing relevance of Design and Technology skills in our rapidly-changing world. The successful candidate will offer skills under the wide umbrella of Design Technology. At Key Stage 4 two GCSE's are offered in Design Technology and Food Preparation and Nutrition. Higher and Standard level Design is offered in Key Stage 5 within the IB diploma. Uptake is popular year on year. The candidate will have a proven experience of strong teaching, working successfully with students of a range of abilities across all three key stages.
