Headteacher: Stephen Davis

N.O.R. 1501 (314 in Sixth Form)

Required for April 20th or September 1st, 2020

SCIENCE TEACHER MPS (Chemistry)

We are seeking to appoint a well-qualified and enthusiastic teacher of science to join a highly successful department with excellent outcomes at GCSE and A level. Applications are welcome from experienced and newly qualified teachers able to teach science from Year 7 to Year 11 and able to offer chemistry at A level. Excellent support is available from a very experienced team.

The department is an outward facing department which offers many enrichment opportunities. It has a well-established and very successful STEM programme – students benefit from visits to universities and from visits to the school enabling them to explore a range of careers in the Sciences. It supports visits from other education systems both nationally and internationally. It is heavily involved in Initial Teacher Education – supporting all routes including School Direct and Researchers in Schools.

Several of our science teachers currently enjoy opportunities through our Teaching School to combine teaching with outreach work and further research into science education.

Lampton School is a mixed, multi-ethnic 11-18 school that converted to Academy status in September 2010. We are a National Teaching School and have IIP Status. Lampton School was judged as "outstanding" in all categories by Ofsted in May 2008 and again in May 2013. It was also featured in the Ofsted report 'Twelve outstanding secondary schools - Excelling against the odds'. The school is a Lead member of Challenge Partnership – a national collaborative network of 240 schools committed to improving the quality of education across our network. It is also the lead school in a School Direct alliance – and heavily committed to the training of new teachers.

Completed applications to be sent to Rina Sehgal or emailed to: rsehgal@lampton.org.uk

Please note that C.Vs will not be accepted - you must complete our Application Form to be considered for this post.

Visits to the school can be arranged if requested.

You can access our school website for further information and an application form:
