

Dear Candidate

Thank you for the interest you have shown in our school. I hope the information here helps you gain an understanding of our values here at Bramhall and our commitment to success within and beyond the academic curriculum. Our ethos at Bramhall is quite simple:

'Every Student, Every Subject, Every Grade.'

'Every Hope, Every Dream, Every Aspiration.'

Attainment and achievement

Our GCSE results in the summer 2018 were outstanding. In English and all other GCSE subjects our students out performed their peers of similar ability significantly. The mathematics department achieved over half a grade better on average for every child of similar ability. Our traditional academic EBacc subjects (Chemistry, Physics, Biology, History, Geography, MFL and Computing) achieved the same fantastic outcomes. Our upper ability students performed particularly well and in mathematics and the academic EBacc subjects they achieved in the top 10% of the country when compared to students of similar ability. These outcomes are set to continue in 2019 and 2020 across all of our subjects.

Progress - How did the class of 2018 do?

On average every student at Bramhall achieved higher grades in every subject compared with similar schools nationally.

Our recipe for success...

We believe we offer our students the opportunity to follow a bespoke curriculum, which covers breadth and depth across a wide range of subjects and encourages them to pursue their ambitions, skills and passion. In addition we are absolutely committed to encouraging the development of all our students and focus on encouraging them to peruse *'Every Hope, Every Dream, Every Aspiration'* during their time with us - whether their passion for learning is within our formal curriculum or beyond.

Headteacher: Mrs Lynne Fox BA (Hons), MSc, NPQH, NLE
 Bramhall High School, Seal Road, Bramhall, Stockport, SK7 2JT

 Telephone: 0161 439 8045
 Website: www.bhsweb.co.uk

To this end, we have developed an outstanding reputation in subjects such as PE, Music, Drama and Design Technology to complement our academic focus. In these areas, we offer unrivalled expertise and opportunities for our students, often gaining national acclaim and accreditation for their subject excellence. In many schools these subjects are not prioritised but this is a key part of our core offer to provide a curriculum that enables our students to enjoy learning.

Our Commitment to Colleagues

As the headteacher here, I am continually impressed by the enthusiasm, dedication and professionalism of our teachers and support staff. Our whole staff team, both support staff colleagues and teaching colleagues, play a key role in helping us improve our school. Our CPD programme reflects the drive identified in our school improvement plan and is designed to support and develop the talents of **all** our staff.

Supporting our students as Professional Learners

Our Pastoral Team are non-teaching leaders who are extremely effective in their role and they are absolutely key to supporting success here at Bramhall. Each team member supports a Year Group and have become 'experts' in managing the particular issues students face at different phases of their school career. All our team are highly trained in order to offer the most effective support for our families.

Working in Partnership

As a school, we also belong to the ***Bramhall Learning Family***, consisting of all schools in Bramhall. One of the main aims of our partnership is to provide all staff with support and embraces staff wellbeing as one of its key motivators. We believe that having a healthy and happy staff enables us to continue to move forward, and is key in helping to retain and recruit staff.

I hope this information is helpful to you and helps you decide if you would like to become part of our team. I look forward to receiving an application from you if you feel you can add value to our school and make a positive impact.

If you have any further questions please contact Mrs Denise Brennan on:- 0161 925 6346 or email: dbrennan@bramhallhigh.stockport.sch.uk.

Yours sincerely

Mrs Lynne Fox
Headteacher
