

## **PE Rowing Specialist and Boathouse Co-ordinator**

**Full time**

**Required from September 2021**

### **The school**

St Paul's Girls' School is one of the country's leading independent secondary day schools for girls aged 11-18 and is a lively academic community with excellent facilities for all subjects. There are approximately 770 pupils with a thriving sixth form.

Aspirations and achievements in many areas go well beyond what one would normally expect from a school, making St Paul's a very exciting and stimulating place in which to work. But we aren't just about academic success; we work hard to ensure that we role model the right behaviours and provide opportunities for our students to develop the skills and understanding required to both be personally successful in the future workplace but also have a positive impact on the world.

Full details of the school, including our curriculum and public exam results, are available on our website at <http://www.spgs.org>

### **The department**

There are several established posts within the P.E. department including the Director of Sport, the Deputy Director of Sport, five PE teachers, the Head of Rowing, two rowing coaches and a sports graduate. In addition we have a number of external sports coaches, leading a variety of sporting options throughout the year. We offer a broad, balanced and challenging sports curriculum for all age groups, and opportunities to take up additional activities in the extensive co-curricular program. With a superb range of facilities, we enable students to try out a variety of sports and to learn the importance of health and fitness within a safe, congenial and relaxing environment, regardless of individual abilities. We also aim to pursue excellence and our students compete at a high level.

In the lower age groups during the autumn and spring terms we teach basketball, fitness, dance, sports hall athletics, gymnastics, lacrosse, netball, swimming and volleyball. In the summer term we teach athletics, swimming, rounders, cricket and tennis. In the upper year groups, students are offered a wider choice and have the opportunity to take part in additional activities such as rowing, Zumba, rebounding, Pilates and yoga. There are team fixtures for all age groups in lacrosse, netball, rowing, tennis, swimming, rounders, basketball, football, cricket, athletics and cross country. Lacrosse matches, plus some netball, take place on Saturdays as well as during the week throughout the year. We have an excellent reputation for team and individual success in all the main sports. In addition, students have the chance to take part in recreational activities during lunchtimes and after school every day of the week. Students also get an opportunity to complete their youth netball umpiring award and the National Pool Lifeguard Qualification.

Our indoor facilities on site are a sports hall, dance studio, multi-gym and a 25-metre swimming pool. Our outdoor facilities are off-site, but still local, and have recently been upgraded. They comprise several netball and tennis courts, a sports pavilion, with dance and strength and conditioning centres, and a playing field that can be used as two lacrosse pitches or a 200-metre running track with field athletic areas.

Rowing takes place on the Thames Tideway from Fulham Reach Boat Club and Tideway Scullers School.
