About the SEND Department

Our successful, supportive SEND Team plays a vital role in the inclusive culture of Formby High School. Led by our experienced SENDCO and dedicated SEND Support Supervisors, our large and dedicated team ensure students feel valued, respected and capable of achieving their potential. Their support maximises progress by encouraging independence which is complemented by co-regulation when needed.

Teaching Assistants play a key role in this work. We are lucky to have a large team who build trust and rapport with students. This means they can pre-empt difficulties and put in place scaffolding to promote students' independence. Our Teaching Assistants support students with a range of needs including Autism, ADHD, moderate learning difficulties, hearing and visual impairment and many more. Through in-class support and intervention, students are supported to develop the skills they need for successful preparation for adulthood.

Strong communication is key to supporting our students. Our curriculum, pastoral and SEND teams collaborate and communicate regularly, sharing strategies, monitoring progress and making adaptations to provide consistent and effective support. Strong relationships with parents, carers and external professionals are equally important, as open communication helps build trust and ensures that support continues beyond the classroom.

Our SEND Team promote understanding and acceptance across the whole school community. By encouraging empathy and tolerance, celebrating achievements and challenging discrimination, they help create a culture where diversity is welcomed and valued.

Through patience, teamwork and dedication, our supportive and inclusive team enables students to feel secure, confident in themselves and included in school life, giving them the best opportunity to succeed academically, socially and emotionally while developing resilience, friendships, independence and a strong sense of belonging daily.

Formby High School is committed to safeguarding and promoting the welfare of young people. The school is situated in leafy Freshfield, situated in the north of Formby. Trains run every fifteen minutes between Liverpool and Southport on Merseyrail's Northern Line and the school is a short walk from Formby and Freshfield stations. The school is easily accessible by car with Formby being serviced by good roads links from the north and south. There is also an extensive network of cycle routes in the local area which allow for generally 'hills-free' cycling! Formby has a population of circa 30,000 and is located 12 miles north of Liverpool, a vibrant and progressive city with distinct character. The Sefton coastline is beautiful and Formby benefits from the National Trust nature reserve, home to its famous red squirrels. Just to the south Anthony Gormley's Iron Men can be found on Crosby beach. Formby has excellent local amenities and the school is only a short walk from the village centre. Although generally an affluent area, house prices are varied and recently there has been considerable investment in new housing.

The school buildings are set in 30 acres of grounds. There is plenty of green space and the campus is lined with mature trees. The original building was erected in time for the school's opening in 1938 and further buildings were erected as the school population grew during the 1970s. A purpose built Sixth Form Centre was opened on site in 2004 and a new SEN unit building is due to open in Autumn 2024.

Due to the popularity of the school, most students live in very close proximity and walk or cycle to school with only a small number travelling from the north or south by train. As the school's admissions criteria gives high priority to siblings, families develop a long-standing relationship with the school as all of their children pass through.

Easily accessible from Formby:

- The Sefton Coastline (20 mins walk)
- Liverpool (30 minutes)
- Manchester (1 hour)
- The Lake District (1.5 hours)
- London (2 hours by train from Liverpool)
