Headteacher: Mrs M John

Teacher of Science

Required for September 2024

MPS/UPS plus fringe

Due to the expansion of the school and student numbers we wish to appoint a passionate and inspiring Teacher of Science to join a forward thinking and successful faculty with a team of specialists including a Curriculum Leader and Subject Leaders for Biology, Physics and Chemistry. 'A' level science is taught in all three specialisms and the department offers a range of extra-curricular activities, both in and out of school. Candidates are welcomed from any specialism.

The science faculty is a key curriculum area of the school where results are significantly above the national average in both combined and individual sciences. As a large and progressive faculty there is a suite of ten science laboratories, including two new laboratories opened recently. There is also a team of technicians who support the area from a central requisition hub in the science area.

We are looking for a candidate who is inspiring, dynamic and has a passion for teaching Science to join our team and continue to grow a joy of learning in all our students.

This full time post would equally suit an experienced teacher or an early career teacher for whom excellent induction and support is provided. For an informal discussion about the post or to arrange a visit prior to application please contact Tim Braybrook, Deputy Headteacher – tbraybrook@stanborough.herts.sch.uk

We were delighted to be awarded a 'Good' rating by Ofsted in March 2023, this recognises the hard work and progress made by all in the school. Prospective candidates are encouraged to read the full report available on our website at <https://stanborough.herts.sch.uk/wp-content/uploads/2023/01/2023-OFSTED-Report.pdf>.
