

Job Title

**LECTURER IN MATHS
AND ENGLISH (FOR
CONSTRUCTION)**

We are seeking to appoint an enthusiastic and motivated tutor to deliver high-quality English and Maths qualifications entry 3 up to level 2/GCSE to construction learners and depending on capacity and operational need to support 16-18 delivery.

The successful candidate will deliver through a blend of classroom teaching, online sessions, and one-to-one support in the workplace. The postholder will ensure learners develop the essential skills, knowledge, and confidence needed to achieve their qualifications and progress successfully within their apprenticeship or further study.

The tutor will play a key role in guiding, supporting, and assessing learners, ensuring they receive an excellent learning experience that meets internal quality standards and awarding-body requirements.
