Awards

International Day - cum-Boarding School Category in 2018 by the Education World India School Rankings Survey

Vision

The vision of its Founders is to develop GGS into a day and residential, autonomous, multicultural, multinational International School for children and parents of all communities of Indian and International society, while providing an opportunity for a quality complete education coupled with a safe, caring, sharing & learning community with a strong human ethos.

Features

- 30 acre sprawling campus
- Choice of National (CBSE) and International Curriculum (IB & CIE)
- Co-educational, day and residential
- Round the clock electronic surveillance security through over 100 CCTV cameras.
- 120 MBPS internet
- Pupil Mentor Ratio (PMR) 25:2 (Pre-Nur to Grade 1) / 25:1 (Grade 1 onwards)
- Largest AC Multi-purpose Sporting hall - 1,10,000 sq.ft
- 21 different indoor & outdoor sporting activities
- Global member of Round Square
- Regular MUN's and International student exchange programmes are organised
- Well resourced labs for Robotics, Design & Technology, etc.

Many years ago, late Mr. Gurdeep Singh Chadha, ex - Chairman of the WAVE Group set up MBCN, to make a difference in the lives of thousands of students, who had remained on the periphery of social acceptance. MBCN was established in July 1999 with a mission to educate and prepare special children to live within the community, having achieved three-fold self-dependence - physical, social and financial to the best of their ability.

As a long term, strategic institutional support mechanism, we initiated the set up of Genesis Global School in Noida in the year 2009.

Over the last few years, GGS has gained the reputation of being a preferred destination for K - 12 educational needs of a student, which include a strong academic, sports & co-curricular plan. It has consistently and continuously been pushed to provide a holistic education to its students with International quality and benchmarks. A choice of National & International curriculums, 21 Sports and different Admission plans to suit individual students.

This ethos of student centricity is the focal point of the vision of GGS. The student centric curriculum, focus on active learning and the use of technology for learning, has helped our students find admissions to courses of their choice all over the world.

The road ahead is full of challenges as we continue to strive to consolidate our position through academic excellence, sports performances and extra-curricular activities. Genesis is not just a school, it is an ethos which defines the spirit of every GENESIAN.

Sanamdeep Chadha
