Working for a Brighton College school

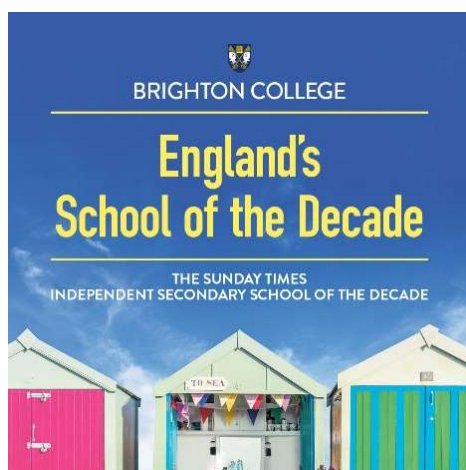

Brighton College schools are fantastic places to work. Brighton College is the leading co-educational school in the UK and was named 'UK School of the Decade' by *The Sunday Times* in November 2020.

The Brighton College Family of Schools includes our three Prep Schools in the UK and five current international campuses, with our sixth site opening in Hanoi, Vietnam, in August 2023. **In total, over 6,700 pupils are educated in Brighton College schools around the world.** Working at a Brighton College school means having a base in one of seven exciting cosmopolitan cities - **Brighton, Bangkok, Dubai, Al Ain, Abu Dhabi, Singapore and Hanoi.**

This international network provides teachers and school leaders with the potential to make fruitful connections and brings a range of opportunities for career progression and promotion. In addition, staff at Brighton schools frequently share best practice and benefit from CPD across the whole group.

Most importantly, Brighton College schools are happy places. Staff and pupils feel fulfilled, and our emphasis on kindness fosters a thriving intellectual, sporting and performing arts culture. We hope you will enjoy this opportunity to join a fantastic group of professionals working across our family of schools.

Our approach to education is regularly celebrated. In addition to being named 'UK School of the Decade' by *The Sunday Times*, we've also been named 'School of the Year' twice by the same publication; *The Week* named us 'Most forward-thinking school' in 2017 and 2019, 'Best in the UK for STEM' in 2020, 'Best for Community Outreach' in 2021, and 'Best for a Global Outlook in Education' in 2022. Spears Education Index ranked Brighton College and Brighton College Abu Dhabi as **two of the top 100 schools internationally** in both 2021 and 2022, whilst Brighton College Bangkok won the **International Schools Award 2022 for Diversity, Inclusivity and Justice.**

10 reasons to live in Dubai

Nicknamed 'the City of Gold' because of its stunning growth from a sleepy port to a global business hub in a mere generation, Dubai is an exciting city in the Arabian Gulf, located at the gateway to Europe, Africa and the Asia-Pacific region.

There are a million reasons to live in Dubai. here are just a few.

1. **DUBAI'S LIFESTYLE** The standard of life is high in Dubai, services are efficient, and convenience is a strong feature of the day-to-day. Lifestyle options are diverse and vibrant, as might be expected in a city with over 200 nationalities living side-by-side.
2. **SAFETY** Dubai is a leader in world-rankings for lowest crime rate in cities. The city's safe and calm environment is a renowned feature, providing a haven for family life, the young, elderly, women and children.
3. **TAX-FREE INCOME** Tax-free salaries, available for all inhabitants of the United Arab Emirates, makes it one of the best locations to build one's future. An attractive prospect for expats and compelling reason to relocate!
4. **ALL YEAR SUN** Bid farewell to the rain and grey – Dubai is sunny all year round. The city's average temperature hardly drops, and while the summer months are characterised by indoor and air-conditioned terrain (a fine opportunity to explore the largest malls in the world), from September to May the comfortable, breezy weather allows for all manner of outdoor pursuits, from beach-bathing to dune-bashing, mountain climbing to exploring market souks.
5. **LOW COST OF PETROL** Just a few years ago, fuel was cheaper than bottled water in the oil-rich UAE. While this may no longer be the case, it is still considerably less expensive than elsewhere in the world.
6. **BOOMING REAL ESTATE** Dubai's real estate industry is thriving. Residents and visitors can easily rent or buy properties that fit their requirements and price range. Whether you choose the glittering, yacht-lined location of the Marina, the slick, sophisticated streets of Business Bay or the leafy, suburban areas like Remram and Townsquare, Dubai has it all.
7. **INTERNATIONAL DINING** For foodies, Dubai is a gold-mine, as the city offers an abundance of eateries for all tastes. From indulgent fine-dining like the aquarium-based 'Nathan Outlaw at Al Mahara' in the Buj al Arab, to authentic street-food style of Bu Qtair seafood restaurant, where for a snip of the cost, seafood and fish are cooked fresh as can be from the adjacent market.
8. **TRAVEL** Dubai is the perfect 'hub' for travel, offering inexpensive and accessible adventures to much of Asia, Europe and Africa. Its favourable geographical location makes the city one of the best places in the world for tourism. Dubai has multiple daily direct flights to all major UK cities.
9. **ARCHITECTURE** The Government of Dubai invest huge amounts of money to progress the city's economy, resulting in a breathtaking city-scape from the infamous Burj Khalifa, to the 'most beautiful building in the world' – the Museum of the Future.
10. **NEVER A DULL MOMENT** Dubai is sometimes described as a 'playground for adults', and the range of experiences and opportunities available here lend creditability to the idea. You can start the morning in a hot-air balloon over the desert, enjoy

an abundant brunch at a luxury hotel, stroll around malls which feature aquariums, ski slopes (and much more) mid-afternoon, set sail in a yacht as the sun goes down, and end the evening at any number of venues for dining, music and entertainment. An added benefit for teachers is the new 2.5 day weekend, with all Dubai schools closing at 12 noon on Fridays.
