Dear Applicant,

Thank you for your enquiry about a post at Congleton Multi-Academy Trust (Cmat).

Congleton Multi-Academy Trust is situated in South East Cheshire, serving families from Congleton and parts of North Staffordshire. It includes Congleton High School, Black Firs Primary School and Castle Primary School.

As a family of schools we seek to deliver an inspirational all round education for over 1600 children. Each school has its own identity built upon children learning by being inspired so that they can develop their curiosity, independence and positive attitudes to thrive in our modern world. Our chosen strapline is Children matter: achieving together, taken from the letters in Cmat. This helps us to remember every day that in everything we do the children come first. Our collective mission is to learn, inspire, support and serve. We do this by having the shared values of passion, ambition, integrity and respect. By applying to join one of our schools you are signing up to this vision.

As Chief Executive of Cmat, I am keen to appoint enthusiastic, committed staff who are team players and prepared to give that little extra to raise standards even further. If you would like to become part of our team working in collaboration to serve the needs of our children, I look forward to hearing from you.

Yours sincerely

David Hermitt

Dear Applicant,

Teacher

Thank you for your interest in the above post at Congleton High School. I believe this is a great place to begin or further your teaching career.

In our last Ofsted Inspection (January 2018), we were rated as a 'Good' school. In the summer of 2018, our Progress 8 score of 0.37 was the highest in Cheshire and we have a strong track record of high academic achievement. The school is oversubscribed and has a growing Sixth Form of nearly 250 students.

We know that having great people is our biggest asset and we work very hard to make sure that we provide good professional development and create a positive working environment for all staff. The school has a strong Induction Programme and places high importance on the well-being of staff. The people you will be working with will support and motivate you to achieve your career ambitions.

Staff are fully committed to providing the very best lessons for students and we have a strong focus on Teaching and Learning. I am proud of the 'team' ethos we have created and staff have planned opportunities to work together and share the very best practice across the school. We run our own Future Leaders Programme and work closely with the Chimney House Alliance which also delivers a range of Leadership Programmes.

As part of the Congleton Multi-Academy Trust, staff have the opportunity to work with Black Firs Primary School and Castle Primary School as well as the 6 other partner primary schools in the local area.

More information about the school can be found on our website and in our most recent Ofsted report. However, if you have any questions or queries about the post, please do not hesitate to contact the school.

Yours faithfully,

Mr J Barlow
Head of School

The Physical Education Curriculum Team at Congleton High School

The Physical Education Curriculum Team at Congleton High School is an outstanding team of experienced, dynamic and forward thinking PE teachers. The team currently comprises of five specialist teachers offering a balance of experience and subject knowledge. The school has some of the best sporting facilities in Cheshire, which are used both by students and members of the wider community.

Facilities at the school include a full size 3G pitch for both Football and Rugby; a lottery funded Community Sports Hall, a large Gym, a fitness suite, four Tennis courts, three Netball courts, four grass Football pitches, one grass Rugby pitch and a grass Athletics track.

Physical Education is a popular subject at all levels including GCSE, Cambridge National Sport Studies, A level and Level 3 BTEC Nationals. We have a high level of achievement in all qualifications, with 35% of last cohort of GCSE PE students achieving 9-7 grades.

Colleagues within PE are always keen to share their teaching approaches, resources and expertise as part of a positive collaborative ethos. Many of the PE teachers take an active part in Working Groups and take lead roles in whole school developments relating to both Teaching & Learning and Leadership.

The Curriculum Team has developed strong links with local clubs, many of which use our facilities to train and compete. The school has had an outstanding year in school competitions, several of our teams are District Champions and we have students in many sports that have represented the District, Cheshire County and National levels. Commitment from staff and students to extra-curricular activities is outstanding. Colleagues give readily of their time and expertise and many activities are offered. Students of all abilities are encouraged to attend and participation levels are very high. The successful candidate will be expected to participate fully in the extra-curricular programme.

The Physical Education Team at Congleton High School is at an exciting stage of its development. This is an excellent opportunity for an energetic and dedicated colleague who can display the capacity for creative thought and an infectious enthusiasm for the subject. You will be joining a highly professional, supportive and committed team for a temporary period, where a focus on achievement and an unstinting dedication to the profession are the expected standard.
