

## JOB PROFILE

<b>Department:</b>	Therapy	
<b>Job title:</b>	Speech and Language Therapist	
<b>Reports to:</b>	Clinical Lead/Head of Pupil Support	
<b>Responsible for:</b>	Speech and Language Therapy	
<b>Hours/Grade:</b>	Full Time - Term Time Only	Salary Scale: Spine R5-8 Scale Point 27-54 FTE £27,146 - £41,543 Actual £23,245 – £35,573 Depending on Experience

### Job Purpose:

To co-ordinate and deliver Speech and Language Therapy across the waking day curriculum using the wave provision of universal, targeted and specialist levels within a multi-disciplinary blended approach to improve outcomes for pupils.

### Key Accountabilities:

- To have overall accountability for the Speech and Language Therapy provision across the waking day curriculum.
- To be accountable as a member of a multi-disciplinary team for pupil outcomes
- To be responsible for maintaining and improving school standards
- To ensure that pupils have the fullest possible access to the whole curriculum
- To aim to ensure pupils achieve their full potential
- To further the holistic development of the pupil including functional life skills

### Main Duties and Activities

To operate under the direction of the Head Teacher to carry out professional duties in accordance with requirements of the Trust and to be responsible for:

### Pupil related:

- 1) To manage and prioritise a complex and highly specialist caseload, accessing supervision within an individual performance review framework, and to map the therapy provision for clinical, social and learning needs for pupils and students.
- 2) To work collaboratively with colleagues using the wave model of universal, targeted and specialist levels
- 3) To devise, develop and implement treatment for pupils using the wave provision model, differentiating the work according to individual pupils' changing needs.
- 4) To demonstrate a high level of clinical effectiveness by use of evidence based practice and outcome measures and participate in the development of guidelines informed by evidence for clinical specialism.
- 5) To use clinical reasoning skills to analyse and interpret complex assessment findings from both standardised and non-standardised assessments in order to establish an accurate diagnosis and prognosis and to formulate appropriate therapy goals and making onward referrals to external agencies as appropriate.
- 6) To assess pupils on admission using formal assessment and clinical observation, interpreting, evaluating and explaining the relevance of assessment outcomes in order to establish the nature of the pupils' difficulties in relation to their performance.

- 7) To maintain contemporaneous and accurate case notes in line with professional standards and therapy team policy. Due to the sensitive information, distribution of information must be carefully managed.
- 8) To provide and monitor therapy programmes delivered by other members of school staff.
- 9) To work on challenging behaviour resulting from poor social understanding by supporting the pupil in understanding why problems / difficulties have occurred, to liaise with staff and to support pupils through process of repairing communication breakdown in line with school policy.
- 10) To attend and contribute to pupil's annual reviews where requested and appropriate, providing reports for annual and interim reviews reflecting highly specialist knowledge.
- 11) To provide end of term reports for parents, and other reports as required.

**Department and school related:**

- 12) To take the lead role in disseminating specialist knowledge to the wider staff group and parents through training, case conferences, seminars and informal meetings.
- 13) To work collaboratively within the school environment with other therapists, education, nursing and care staff and other professionals who are involved with the pupils.
- 14) To contribute to the clinical discussion and the management of individual pupils within the therapy, care and teaching teams across the waking day curriculum and within the wave model of blended provision.
- 15) To communicate clinical observations and assessment of complex specific learning difficulties to parents, carers and relevant professionals.
- 16) To attend and contribute to staff meetings.
- 17) To attend Parent Afternoons, Open Days and other events as requested by the Head Teacher.
- 18) To contribute to the development of the therapy objectives and projects across the Trust to further promote effective practice within an educational setting, including clinical audit, as directed by Therapy Co-ordinator.
- 19) To liaise with and work collaboratively with colleagues in other Trust schools, meeting together at least once a term.
- 20) To assume delegated tasks as requested by the Head Teacher including participating in working groups, policy development groups etc. across the Trust
- 21) To contribute to the whole school development by providing input into curriculum planning and initiatives for change as directed by the Senior Leadership Team.
- 22) To undertake any other duties that may be required which are consistent with the grade and responsibility of the post
- 23) ICT skills are required for aspects of therapy and training. This includes modification of materials and production of individualised therapy materials and training packages and presentations for staff and parents.
