Royal Greenwich Trust School

Royal Greenwich Trust School, part of the University Schools Trust, is an expanding start-up 11-18 school in the heart of Royal Greenwich.

In 2017, RGTS was established with an initial cohort of year 7 students and a sixth form provision.

This year, we opened our brand new £14 million building and moved into the next stage of the school's growth as our inaugural cohort moved into Key Stage 4.

Our continued growth affords us the opportunity to increase our staff team and presents an exciting opportunity for the right candidates to play a significant role in shaping the future of our growing learning community.

University Schools Trust (UST) is a unique partnership of six world-leading universities and five sector-leading bodies who are working together to deliver a shared vision of inclusive, high-quality and transformational education.

We want to hear from you if you are:

- Committed to providing an inclusive, transformational education for all students.
- Passionate about developing and working within a culture of academic excellence.
- Motivated to contribute directly to the growth and development of a thriving secondary school.

Working with us guarantees the opportunity to:

- Be an integral part of a growing school with potential for leadership and career development.
- Design and deliver bespoke curriculum provision for Key Stage 3, 4 and 5 students.
- Develop links with our wider UST network for CPD and collaborative practice.
