

**Park High School  
Leading Edge School**

**Teacher of Science**

**Outer London payscale**

**Person specification**

We will be looking for the following:

1. Appropriate academic qualifications (to degree level), QTS and the ability to teach Science throughout the school.
2. Successful experience as a teacher of Science in a current post or during teaching practices (NQT) and both the ability and drive to develop further.
3. Ability to work and learn in a collaborative, innovative team with high standards committed to raising expectations and achievement of all students.
4. Evidence of excellent communication and organisational skills.
5. A good understanding of the Science curriculum and the changes in GCSE assessment.
6. The willingness to teach a second subject if required.
7. Evidence of being able to build and sustain effective working relationships with staff, Governors, parents and the wider community.
8. The ability to contribute to the wider work of the school, including our work as tutors and other activities.
9. Flexibility and adaptability in order to be able to mix and work with a wide range of people and a commitment to equality and diversity.
10. A commitment to professional development.
11. To be alert and active on issues relating to student welfare and child protection
