Message from the Head

James Stenning, Head Teacher

At North Bridge House Prep School we seek to develop happy, confident and successful children who are fully prepared for senior school and adult life. We have developed an exciting and aspirational curriculum that challenges and stimulates our children which ensures that they are given ample opportunities to develop into happy, confident pupils. A history of first-class examination results ensures pupils gain places at some of the best senior schools in the country.

Complementing the academic curriculum is a rich and varied co-curricular programme. All pupils take part in Sport, Music, Drama and Art, and there are a number of exciting clubs such as Chess, Cookery, Spanish, Design Technology, Ballet and Street Dance.

We are proud to boast five choirs, an orchestra, and several brass bands, and as such, enjoy a wonderful host of concerts throughout the school year.
