A WARM WELCOME TO WALDEGRAVE SCHOOL

Waldegrave comprises an 'Outstanding' (2018) comprehensive school for girls aged 11 to 16 years, together with a successful mixed sixth form of nearly 400 students. We are a school whose aim is that everyone enjoys learning, feels valued and experiences success.

We have approximately 155 staff which includes 87 teachers, 22 teaching assistants and welfare staff, 21 technicians and curriculum support staff, 20 administrative staff and 5 premises staff.

Our examination results are excellent and reflect the work of committed staff and students. We consistently achieve excellent outcomes at GCSE and A level placing it among the top performing schools nationally. The school was ranked 8th in the top 10 London comprehensive school in the UK (Sunday Times).

Our School Rule: Learning comes first: we show mutual respect and understanding for everyone though courteous and considerate behaviour at all times.

As a member of a training alliance, we deliver ITT in partnership with local universities and provide a strong ECT programme.

There is a strong commitment to training and professional development, as well as the work/life balance of all staff. The school has a newly refurbished staffroom providing freshly ground coffees as well as an excellent collaborative space. We have an active staff association who organise a range of events and outings.

Based in Twickenham, in the leafy London Borough of Richmond upon Thames, we are fortunate to be set in spacious and attractive grounds over a 14.5 acre site. The school has received significant investment over the last 5 years enjoying up to date and well invested departments, facilities and IT.

We value the diversity of our school community and our curriculum. Staff and students enjoy positive relationships. Students are enthusiastic about learning and have ambition to succeed, as a result behaviour is excellent. This atmosphere allows teachers to have autonomy and be innovative and is one of the main reasons so many staff choose to stay at the school.

Support staff are valued and respected, and work collaboratively with teaching staff. They are integral to our ability to provide a safe, and happy environment in which students can thrive.

From my first day, the staff made me welcome and were patient and supportive whilst I got to grips with my role. I received excellent on the job training and every day there was a new learning experience. I am so pleased I was invited to work at Waldegrave. I have learnt such a lot since I have been here, no two days are the same, the students are amazing and the kindness and support I have received from staff has made me feel part of the Waldegrave "family".

School lunches, grounds maintenance and cleaning are provided through competitive contracting. There is a strong commitment to training and professional development, and the work/life balance of all staff.

Students

There are 1081 students on roll, plus a further 383 enrolled in the sixth form. In recent years the number of applicants for places at Waldegrave has greatly exceeded the planned admission number. The students come from a wide range of religious, cultural, social and ethnic backgrounds. Approximately 18% of the students are from homes where English is not the first language, and there are 43 home languages other than English spoken amongst the students. The number of students in receipt of the pupil premium grant is approximately 8%.

Student Academic Achievement

We are very proud of our results at Waldegrave and we will continue to aim to achieve the very best results possible. Our results have been consistently high year on year but we have students of all abilities and we celebrate the progress of every student. Click [here](#) for further information on our exam results.

Curriculum

The curriculum at KS3 and KS4 is broad, balanced and differentiated so that the needs of individual students are met. Students are placed into eight all-ability tutor groups in years 7 to 11 and these form the basis of teaching groups. The vast majority of teaching is mixed ability and there is very little setting at any age. Homework is set regularly and seen as an important extension to the curriculum. We offer a wide range of extra-curricular activities such as orchestras, choirs, sports clubs, drama club, science club and sixth form lectures. Productions and musical events are a part of the school calendar. Careers education is an important part of our curriculum and all students in KS4 have a work experience placement. In our thriving and over-subscribed co-ed sixth form we offer an academic curriculum of A level subjects.

Pastoral System and Student Voice

The pastoral system at KS3 and KS4 is based on a year group support structure. Students are in tutor groups of approximately 27 students and form tutors have the first responsibility for the welfare, progress and attendance of their group. They are led by a Head of Year and Head of KS3 or KS4.

In KS3 and 4 there are a range of forums that provide an opportunity for students to voice their ideas and to influence any aspect of school life: A Head Girl and her Deputies lead a team of senior prefects and perform duties on behalf of the whole school. We have an active school parliament, with sub-committees including Ecotopia and Diversity & Inclusion, who contribute to on-going improvements to the school. The school also operates a house system which provides opportunities to gain leadership skills and also for students to come together and participate in competitive competitions and charity events or sometimes just for some fun.

Sixth form students are in tutor groups of approximately 24 students and tutors are led by Heads of Year and Head of Sixth Form. Student leadership roles include that of Head Girl and Head Boy who are elected to carry out responsibilities in relation to the sixth form. Sixth form students participate in volunteer work and, under the usual school arrangements, some would run clubs or provide support for individual students, or in lessons in the main school.

Site and Buildings

The school is set in spacious and attractive grounds; we have our own playing fields within the 14.5-acre site. The school has received significant investment over the past in a new sixth form block, dining room and sports hall, and a refurbished performing arts centre. There are well-equipped specialist facilities. There are twelve science labs, several ICT suites and class sets of laptops available to book. We continue to invest in our facilities for staff and students.

Wellbeing

We take staff wellbeing seriously and have an Employee Assistance Programme which offers free counselling and advice. Staff benefit from an additional training day and extra holiday. Waldegrave is a member of the Cycle to Work Scheme and the Blue Light Card scheme. We have an active

Staff Association who are there to help support staff as well as organise social events. There is a small gym on site that staff can use as well as weekly yoga classes. Being located in the greenest London borough we frequently have a staff cycle to work or enjoy jogging or walking around nearby Bushy Park in their leisure time.

We have a friendly and welcoming staff; whole school and departmental social events are very popular. We have invested in excellent staff facilities, including individual work spaces and a separate cafe style staffroom with free barista style coffee machine. The food in our canteen is excellent and normally includes main dishes, salads, pasta and noodle pots and grab and go items for all dietary needs.

Our staff lanyards make life easier as they can be used to access school, to purchase food and for the photocopiers.

Diversity, Equality and Inclusion

Waldegrave is committed to promoting and celebrating a diverse, equal and inclusive community - a place where we can all be ourselves and succeed on merit. We do not discriminate against any employee or applicant for employment because of race, colour, sex, age, national origin, religion, sexual orientation, gender identity and/or expression or disability. We offer a range of family friendly and inclusive employment policies, flexible working arrangements and embrace staff feedback.

At Waldegrave, each of us contributes to inclusion—we all have a role to play. Our culture is the result of our behaviours, our personal commitment, how we collaborate and the ways that we courageously share our perspectives, encourage others to do the same, listen with patience and respect, and embrace open dialogue. We all thrive when we get this right.

Special Educational Needs at Waldegrave

At Waldegrave the SEN Department has a strong supportive ethos led by the SENCO. It includes provision for students with diverse needs. Students are supported both in and out of class by a team of well qualified SEN teachers, Higher Level Teaching Assistants and Teaching Assistants. The department is warm and welcoming, has well-equipped classrooms in an area of the school which includes the Learning Resource Centre (LRC), Learning Zone and Specialist Resourced Provision. There is also a small quiet courtyard, The Sensory Garden, where students can sit.

The department runs clubs before school, at break and lunch. Provision is also available until 4pm each day to help students complete their homework. Students with an Education, Health and Care Plan (EHCP) are linked to a lead professional and have mentors from within the department to ensure that their learning is individualised and that they are able to access the National Curriculum at an appropriate level.
