

### **Commitment to Safeguarding**

As Badminton School meets the requirements in respect of exempted questions under the Rehabilitation of Offenders Act 1974, all applicants who are offered employment will be subject to an enhanced criminal record check from the Disclosure and Barring Service before the appointment is confirmed. This will include details of cautions, reprimands or final warnings, as well as convictions. The cost of application will be met by the School.

Badminton School is committed to safeguarding and promoting the welfare of children and young people, and expects all staff and volunteers to share this commitment. All staff have a responsibility for promoting and safeguarding the welfare of children and young persons for whom they are responsible, or with whom they come into contact, and are required to adhere to the School's Safeguarding Policy and related procedures. If, in the course of carrying out the duties of the post, the post holder becomes aware of any actual or potential risks to the safety or welfare of children in the School, he or she must report any concerns to the Designated Safeguarding Lead or other appropriate person as set out in the Policy.

All posts in the School are offered subject to the receipt by the School of satisfactory references, verification of qualifications cited by candidate and proof of a right to work. As these checks can take some time to complete, candidates are advised to disclose any possible impediment to appointment at the time of interview, as failure to do so could result in an appointment not being confirmed, or being rescinded. All appointments in the School are offered subject to the completion of a satisfactory probation period.

### **The School**

Badminton is a leading independent school for girls. Founded in 1858, the school occupies an attractive 15 acre campus in the north-west of Bristol and admits girls from age 3 - 18. There are approximately 330 girls in the Senior School, which can accommodate up to 200 boarders. In the Junior School there are 130 girls, the majority of whom are day pupils.

As a Boarding School, Badminton operates a busy campus seven days a week and all support services and departments therefore work on all seven days to provide a full support service to pupils and staff. Campus facilities are extensive, enhanced hugely by the completion in 2018 of our new state of the art Sports Centre. During the School holidays, the campus is used for a wide range of educational and commercial activities and this results in an all year round operation.

### **The School's Vision and Values:**

"Badminton provides the best preparation for girls living and working in a global society"

#### **Values:**

- To provide an education which nurtures intellectual curiosity and which is challenging and fun, balancing academic excellence with fulfilment of individual potential in the arts, sport and extra-curricular activities.
- To provide pastoral care which teaches respect and tolerance for the whole community and requires each girl to take responsibility for herself and others. To create opportunities for every girl to make a contribution to the well-being of the School and genuine mutual support.
- The international mind-set of the School aims to create an awareness of the needs and concerns of society at local, national and global levels.
- Badmintonians leave the School as curious, confident and courteous individuals who will thrive in a competitive, global society.

- Badminton respects the past and looks to the future, ensuring good stewardship of the Badminton name, the campus and the School's world-class reputation.

## **Boarding at Badminton**

Boarding in the vibrant and cosmopolitan university city of Bristol offers many diverse opportunities for activities out of school including voluntary and community work, membership of sports, music and drama clubs, competitions and academic enrichment.

All boarders are accommodated at Badminton on the campus. In 2008 a purpose-built Boarding House opened to replace accommodation for girls in Years 9, 10 and 11. The new House represented a major investment by the School and is in response to an increasing demand for boarding at Badminton and our wish to provide excellent facilities for boarding and to re-develop existing Boarding Houses to meet teaching and office needs.

## **The Houses**

Boarders at Badminton are accommodated in three Houses on the campus

**Bartlett House** is home for girls in Years 5, 6, 7 and 8. It has its own common room and is situated within School House. Rooms accommodate on average four girls. In line with our policy of encouraging girls to become increasingly independent, Year 8 are permitted some unsupervised access to the local village at weekends. Younger boarders are always escorted when they leave the School grounds.

Boarders in Years 9, 10, and 11 live in **Sanderson House** which was opened in 2008. The modern design of the building, with its good environmental credentials and far-reaching views, offers a comfortable environment for 94 girls, and six members of staff. The Head of Boarding, two Housemistresses, a Deputy Housemistress and two Resident Tutors live in the House.

**The Sixth Form Centre** offers double or single study bedrooms for boarders and study rooms for day girls who share fully in the common room, kitchens and other facilities. The ethos of the Sixth Form Centre is that of an undergraduate hall of residence in which girls are prepared academically for top universities and to make a confident transition to student life. There is a strong pastoral team working with the girls consisting of The Head of Sixth Form, two Housemistresses, a Deputy Housemistress and two Resident Tutors.

## **Life in Boarding**

All boarders have access to computer rooms, a well-resourced school library, Creative Arts Centre, Music School, indoor swimming pool, internet, Careers Library and all sports facilities. In addition to a wide choice of clubs and activities, the school utilises the opportunities of boarding in a lively, university city. Older boarders may join sports clubs, e.g. Clifton Ladies' Hockey, squash and badminton clubs and some have attended kick-boxing classes; girls who are keen on dance attend a local dance school for ballet and modern dance classes; others may belong to orchestras and drama groups in the city. The Duke of Edinburgh Award is popular at Badminton and boarders undertake a wide range of community service and voluntary work.

Boarders and day girls are well integrated at Badminton and the Year Group is the primary focus for pastoral care, and for monitoring academic and personal progress; each Year Group is overseen by a Pastoral Head who is a member of the academic teaching staff. There is a regular weekly meeting of all Pastoral Heads with the Deputy Heads (Pastoral and Academic) and weekly meetings are timetabled for each Pastoral Head with the Head of Boarding, the appropriate Housemistress and Senior Nurse.

The Deputy Head (Pastoral) and Head of Boarding, under the direction of the Headmistress, are responsible for boarding throughout the School, ensuring that all boarders live in well-presented and comfortable Houses which offer a stimulating environment. They lead the team of resident staff.
