School

INSPIRING POTENTIAL
ACHIEVING TOGETHER

The Bulmershe School is a heavily oversubscribed school which sits at the heart of the Woodley community. We are a mixed, [Corvus Learning Trust](#) Academy school of nearly 1,500 students, aged between 11 and 18, who come from diverse backgrounds and cultures. Our vibrant and inclusive school strives for students to be happy, self-confident and aspirational learners and thinkers. We take enormous pride in our caring reputation and anyone who joins our team should be committed to achieving high levels of responsibility, mutual respect and resilience within the safe and nurturing environment of our school community.

When a child begins their journey with us it is our priority to secure them the best possible start. We achieve this by providing excellence in their academic studies, pastoral care and in the diverse and enriching opportunities provided outside the classroom. We have the highest expectations of all our students across each aspect of school life and we work hard to develop these values in every student:

RESPECT

RESPONSIBILITY

RESILIENCE

SAFETY

Our core values are embedded throughout school life and serve as a reminder to how we expect all of our community, staff and students to conduct themselves throughout their time at The Bulmershe School, in order to be the best version of themselves.

We understand that it is great teachers combined with great support staff that results in students who excel. Our invaluable team of support staff are equally responsible for the welfare and development of our learners and hold the key to the effective running of our school. They provide a wealth of knowledge, skills and experience that benefits the whole school community.

We recognise that a school's success is not based solely on its academic achievements and we provide a means for our students and staff to explore other interests, develop new skills and strengthen friendships. During the last 6 years, we have seen significant investment in the school campus. In 2015 the school opened its new 400 seat, fully-equipped auditorium, supporting the schools thriving performing arts faculty and the wider community with this modern multi-use venue. Last summer the school completed £600,000 worth of refurbishment around the site and recently Wokingham Borough Council opened its £14 million leisure centre in the school campus. The new leisure centre includes a 4-court sports hall, a 6-lane swimming pool and a teaching pool with a moveable floor. The Bulmershe School has exclusive use of this outstanding facility during the school day and during our after-school extra-curriculum timetable.

We believe that The Bulmershe is a school where you can really make a difference and we look forward to your application.

Amanda Woodfin
