

HABERDASHERS' ASKE'S FEDERATION

Hatcham Temple Grove Free School

Primary Class Teacher (KS1 or KS2)

5 days per week, permanent to start September 2019

Dear Candidate,

Our organisation has a clear mission to provide excellent education to children in the London communities we serve and a history of doing so since the 17th century. We value our history and traditions, but we continue to thrive because we are innovative and commercial in our approach.

Hatcham Temple Grove Free School opened as a brand new primary school in 2013, based in the London Borough of Lewisham. As of September 2019, we will be a full school from Reception to Year 6. It has already built a strong reputation locally for both academic excellence and providing a broad and balanced education. It now aspires to build a national reputation for excellence and is seeking candidates who wish to be part of this next step in its journey. The school is looking for teachers who are solution focused, ambitious for themselves and the children they serve and who will thrive in a high trust, high support and high expectations environment.

Hatcham Temple Grove Free School also benefits from being part of the Haberdashers' Aske's Federation. The Federation currently comprises three all-through schools and one free primary school, totalling over 5,000 students and 600 staff. The scale of expertise and leadership across our Federation gives us enormous capacity. To work effectively as a group at this scale. We depend upon effective communication within our schools and externally.

We support our staff to grow and encourage all staff to undertake professional development or academic qualifications related to their work. We believe our school is a uniquely exciting place to be and I hope that you decide to apply for this hugely rewarding role within it.

Yours sincerely

David A. Welsh
Head Teacher
