Headteacher: Mrs M Critchlow BA (Hons) NPQH

Alder Community High School MFL department

Do you want to join a dedicated and hard-working MFL team with a proven track record of improving attainment and progress?

The MFL department consists of 4 teachers who are passionate about languages and helping students to fulfil their potential. We have our own brand-new dedicated language block within school.

We teach French and Spanish to students at KS3 with the language that each year group learns alternating every year. At KS4 we offer French and Spanish GCSE, and we follow the AQA specification. Students are encouraged to take a language at GCSE as part of the EBacc.

We are really proud of our GCSE results (below) which we feel reflect the hard work and dedication of our staff. The successful applicant will have the opportunity to teach across the age and ability range and will play a significant role in our aim to improve standards even further. It is an exciting time to join our team!

	2018	2019	2020*	2021*	2022	2023	2024
% 9-5	56%	57%	71%	66%	79%	62%	70%
% 9-4	78%	76%	90%	83%	89%	82%	83%

You will be joining a team who have high expectations of students and deliver well-paced, varied lessons which engage students and maximise progress. We use the target language as much as possible and build in opportunities for the development of cultural knowledge. We organise visits and trips regularly including KS4 visits to Barcelona and Paris which are very popular with students. We plan schemes and lessons as a department and share resources.

We are seeking to appoint a highly motivated and energetic teacher to join our team who is committed to making a difference and to maximising the outcomes for all students.
