

Our School

International School Turks and Caicos Islands (ISTCI) is a small, dynamic learning community in the western Caribbean, dedicated to providing a high-quality, well-rounded education. Located on the island of Providenciales, the school is situated a short walk away from the idyllic Grace Bay, ideal for those with a passion for the ocean and the outdoors. With students and staff from over 20 nationalities, ISTCI fosters respect, empathy and global citizenship in a warm and inclusive environment, where diversity enriches learning and prepares students to thrive in an interconnected world.

Our school serves children ranging from 11 months old in the Nursery up to 14 years old (Year 9), with plans to expand to Key Stage 4 in September 2026. Each year group consists of a single form-entry class, and the school has fostered a highly collaborative environment among its teaching staff. Our teaching offers the opportunity to be part of a supportive, research-driven school with small class sizes, where educators are valued, empowered and inspired to make a lasting impact on students' growth and success. Pupils engage in practical, real-world learning experiences that embrace the culture of the Turks and Caicos Islands, enriching their overall development.

At ISTCI, we follow the **British National Curriculum**, supported by the **International Curriculum Association**, which is globally recognised for its integration of subject, personal and international learning goals. Our students study using the **International Early Years Curriculum (IEYC)**, **International Primary Curriculum (IPC)**, and **International Middle Years Curriculum (IMYC)**, all of which are enhanced by **White Rose Maths**. These curriculums and schemes of work provide the best framework for delivering high-quality teaching, nurturing critical thinking, creativity and academic excellence, while offering a strong foundation in numeracy and literacy.

The Role

We are currently looking for an outstanding **Key Stage 2 Teacher** to join our team for **September 2025**. The ideal candidate will be passionate about education, committed to student success and eager to contribute to our school's growth. If you are an innovative, adaptable and enthusiastic professional looking to make a meaningful impact, we invite you to apply!

Your key responsibilities will include:

Teaching & Learning

- Plan, prepare and deliver high-quality, engaging lessons that align with ISTCI's robust curriculum.
- Foster a research-led, student-centered learning environment that promotes curiosity and creativity.
- Differentiate instruction to meet the diverse learning needs of all students.
- Encourage independent thinking and problem-solving skills in students.

Student Development & Wellbeing

- Support students' academic, emotional and social growth in line with ISTCI's holistic approach.
- Establish a safe, inclusive and supportive classroom environment where students feel valued and respected.
- Implement effective behaviour management strategies that align with ISTCI's personal learning goals.

Assessment & Progress Monitoring

- Use a range of formative and summative assessments to track student progress and inform teaching.
- Provide timely and constructive feedback to students and parents.
- Maintain accurate records of student achievement and communicate progress effectively.

Collaboration & Professional Development

- Work collaboratively with colleagues to enhance teaching practices and curriculum development.
- Engage in continuous professional development and reflective teaching practices.
- Participate in school events, staff meetings and extracurricular activities as required.

Expectations Aligned with Teaching Standards:

- Set high expectations that inspire, motivate, and challenge students.
- Promote good progress and outcomes by designing engaging learning experiences.
- Demonstrate strong subject and curriculum knowledge.
- Adapt teaching to meet the strengths and needs of all students.
- Use effective assessment strategies to drive student achievement.
- Uphold professional responsibilities and maintain high standards of conduct.

Qualifications & Experience:

- A Bachelor of Education degree, or an initial degree plus a relevant teaching qualification such as a PGCE, PGDE, or equivalent specialism in Primary.
- At least 3 years of experience as a Primary School Teacher.
- A solid understanding of the **IPC framework** and the **British National Curriculum** is preferred.
- A genuine desire to continually enhance your practice and deliver exceptional teaching and learning experiences for students.
- A commitment to ISTCI's mission, values, and holistic education approach.
- Excellent interpersonal and communication skills.

Aspiring or current Middle Leaders are encouraged to apply for Middle Leadership roles. When applying please indicate your:

- Specialism in a subject area
- Past MLT experience

Why Join ISTCI?

- A nurturing and vibrant learning community.
- Subsidised housing conveniently located near the school.
- Flight expenses covered upon arrival and after contract completion.
- Free mental health support for teachers via therapy.
- A research-driven environment dedicated to holistic, child-centered education.
- A strong commitment to promoting lifelong learning and student achievement.
- Company discounts on a variety of services, including fitness classes, selected food establishments, petrol and laundromats.

We invite passionate educators who are dedicated to student growth and innovation in learning to apply for this rewarding opportunity at ISTCI.
