

We seek applications from those of no faith, all faiths, the Church of England faith, and who are supportive of our Christian values and ethos.

Working at Epping St. John's is a fantastic opportunity. Our surveys this year showed that 84% of staff are proud to be a member of our school, 86% feel that the school challenges all pupils to make at least good progress, 100% report that pupils are safe at this school and 100% of parents/carers would recommend Epping St. John's to other parents/carers. We are passionately committed to developing staff and managing workload to ensure that colleagues enjoy their work and students enjoy learning. Staff well-being is high on our agenda, with an appointed staff well-being coordinator, black-market staff days off, light meeting calendar, no-meeting weeks and longer than average school holidays. We also believe in looking after our teachers' career progression. As part of our line management processes we hold career planning and progression meetings to ensure that we support our staff in their long-term plans and goals. We offer a highly competitive salary package and, due to strong links within our BMAT trust, regular opportunities for professional development and advancement.

The school is also at an extremely exciting juncture in its future. Demand is high, with oversubscription in KS3 and 4 and an ever-growing Sixth Form. Over the last 3 years, exam results have risen at both GCSE & A Level, with last years' results showing our best set of strong passes at GCSE ever. 16% of students achieved the highest (7-9) grades in Maths, with this year a more than 5% increase in both 5-9 and 7-9 grades.

We require an inspiring and ambitious teacher to join our established Design Technology Department. The successful candidate would be expected to teach across the full age and ability range, supported by a dedicated and innovative cast of colleagues. We will provide you with the support you need to be successful in post.

We strongly encourage you to pay us a visit in our new, state-of-the-art buildings situated on the outskirts of London. Epping boasts excellent amenities and the school is located just a 15-minute walk from the Central Line whilst still enjoying beautiful Epping Forest scenery. Epping St. John's really is well-placed to enjoy the best of both worlds.

Mike Yerosimou

**Head of School**
