Letter from the Principal

Thank you for your interest in Woking College.

Woking College is an oversubscribed and highly successful college of 1400 students drawing students from more than 60 different schools. Our very successful strategic focus has, for many years, been to create the very best environment for high quality of teaching and learning. Alongside this we have an inclusive ethos and are fully committed to innovation whilst maintaining a humane and caring approach for all members of the College community which has resulted in the doubling of the student population in recent years.

Woking College is enjoying record results, very positive value-added and an abundance of applications and quite rightly has a teaching and learning culture which is the envy of other institutions, indeed in last year's staff survey 100% of College staff said they were proud to work at Woking College! Despite ever increasing competition, and against the backdrop of funding pressures across the sector, the College continues to thrive. We have benefited hugely from an impressive transformation of the College's estate over recent years, with the completion of a new Sports Centre in 2014, a new Arts Block in 2015 and a modern and larger Science Building in 2016. A full size 3G pitch was completed in 2020 with further plans to add to the estate over the next two years.

We recognise the advantages of collaboration and have worked hard over the years to build and maintain close working relationships with other education providers and the Local Authority. The College has been a long standing member of S7, the Surrey and Sussex group of Sixth Form Colleges, possibly the leading college consortium nationally, and we look forward to continued positive engagement with schools, colleges and the local community for the benefit of all.

With strong leadership from our passionate and committed senior leadership team, and with the support of excellent teaching and support staff across all areas, we look forward to the continued evolution of the College; we also look forward to meeting committed, engaging and passionate people who want to join us to further enhance the life-chances and choices of our students – which is of course our main mission as educators.

We very much look forward to receiving your application.
