

October 2019

Dear Applicant

TEACHER OF DESIGN TECHNOLOGY (TEXTILES) MPR
(Permanent, Full Time post, from January 2020)

Thank you for your interest in this post. There is an opportunity for a **Textiles specialist** to join our experienced, supportive team from January 2020. The Design Technology department will provide support and guidance to whoever joins the staff. Schemes of work are in place at both Key Stages and a teacher new to the school will have access to a wealth of resources enabling them to teach to the highest level possible.

Broughton is a successful, heavily oversubscribed school. We have a highly experienced staff, supportive parents and marvellous, well-behaved children who are a delight to teach. Many staff come to Broughton and stay for many, many years because of the 'family atmosphere' and because they genuinely like working here. Standards are exceptionally high. Applicants should note that the school's child protection policy and practices have recently been reviewed and comply fully with all local and national guidelines.

Please find enclosed:

- General information about the school
- Information about the Design Technology department
- Post and person specification
- Application form

Please complete and return the application form, together with a supporting letter of application by 12.00 noon on **Monday 28th October 2019**. Interviews for the post will be held on **Wednesday 30th October 2019**. If you have not heard from the school by that date then you should assume that your application has been unsuccessful.

If you wish to find out more about our school, or would like an informal visit, please contact Mr Adrian Brandwood, Head of Design Technology, brandwooda@broughtonhigh.co.uk.

Yours faithfully

MR C MORRIS
HEADTEACHER

Headteacher: Mr Chris Morris
