Post of Teacher of Computer Science

Thank you for your interest in this post at Beacon Academy which offers an exceptional opportunity to teach in a large highly successful, happy, well-resourced, exceptional and non-selective 11-18 school.

We wish to appoint a dedicated, hardworking and innovative Teacher of Computer Science. The successful candidate will have high expectations as well as genuine ambition. They will consistently plan and deliver lessons that inspire, engage and challenge every student enabling them to be enthusiastic about their learning and to make excellent progress.

Context

We are a split site, rural, mixed 11-18 non-selective converter academy with approximately 1390 students, including over 250 students in our Sixth Form. We are situated centrally in Crowborough on the outskirts of the Ashdown Forest, an area of outstanding natural beauty. We are close to Tunbridge Wells and the South Coast. The vast majority of our staff travel to Beacon from a variety of destinations within the South East, including Brighton, Eastbourne, Lewes and Tunbridge Wells. We draw students from over 10 primary schools in Crowborough and the surrounding areas, while also attracting an increasing number of students from outside this traditional catchment area, from Kent and from the independent sector. This wide catchment area generates our truly non-selective intake, both in terms of ability and socio-economic background. Our sixth form provision is accommodated entirely at our Green Lane site, an 800m five minute walk from our main Beeches site which accommodates years 7-11. We are immensely proud that we retain a high proportion of our Sixth Form students from Beacon Academy as well as recruiting students from other local and international schools.

Vision, culture, expectations and outcomes

Our vision is to provide the best possible education for all of our students and to be ambitious for excellence in all we do. Whether a member of staff, trustee (governor) or student, we all work relentlessly to inspire and believe in one another to achieve our ambitions and succeed in life.

At Beacon Academy there is an expectation that as staff and students, we will work hard, be ambitious, self-motivated, inquisitive, resilient and determined to succeed. Our students work incredibly hard, are polite, respectful, well behaved, well presented and ready to learn. They are expected to be caring, considerate and tolerant in lessons, social time and whilst travelling to and from school. These areas are reinforced and adopted positively by staff and students alike – there is a tangible sense of pride in being part of Beacon. Our students are meticulously supported by our experienced, loyal, highly skilled and highly effective team of staff. This includes a dedicated, non-teaching Student Support Team consisting of a Head of Year (teaching staff) and an Assistant Head of Year (non-teaching staff) for each year group who support them throughout their time at Beacon Academy.

The rigorous focus on all of our students as unique individuals is paramount. There is an unprecedented determination and commitment from everyone who works at Beacon that they will succeed. We work diligently on our unapologetically high expectations, allowing us to foster exceptional relationships in an environment that is consistently calm, safe, happy and orderly. I have no doubt that the combination of this with our broad, balanced curriculum and outstanding teaching contributes significantly to our sustained improvements across the board. Our latest A-Level and GCSE results are testament to this and to the teamwork of our phenomenal students and staff.

We are immensely proud and delighted to be celebrating the best ever A-Level and GCSE results in our sixty year history. Despite a decline in national GCSE results, we find ourselves once again significantly above county and national averages. These results now place Beacon Academy as the top performing school in East Sussex and one of the top performing schools nationally.

Exam Success

As confirmed by the Department for Education's national league tables, in 2018 Beacon Academy was the number one school in East Sussex for the second year running under the headline Progress 8 measure, in second place in Sussex overall and in the top 5.9% of all schools nationwide.

Progress 8 is the Government's main performance measure, and reflects the value that schools add to the progress of their students in respect of their final GCSE grades, compared to that of their peers of similar prior ability across the country.

In 2018 our Progress 8 score was 0.7. As a non-selective, non-denominational, non-fee-paying school, we are immensely proud and delighted to have received this confirmation, once again, of our high-ranking position. We are in an esteemed group of 7% of schools nationally who are now categorised as 'well above average' for two years in a row. As ever, this is a reflection of our vision and our determination to consistently provide the best possible education for all of our students, and to become an exceptional school for our community, both locally and nationally.

We are incredibly proud of our Sixth Form students. Amidst significant national changes to the structure and content of A Levels, they have achieved some excellent results and 94% of those who applied to university were accepted at their first choice institution.

Our provisional results for 2019 show an increase in all A Level and GCSE attainment measures. Together with all secondary schools nationally, we are awaiting the Department for Education's publication of our final results along with Progress Scores for 2019.

National Teaching School and National Support School

Beacon Academy is one of approximately 65 schools nationwide that has been selected to become a National Teaching School in the latest recruitment round, taking a leading role in recruiting and training new entrants to the profession. I am also one of approximately 75 Headteachers to be appointed to the role of National Leader of Education in the latest recruitment round.

At Beacon Academy, the quality of teaching, learning and assessment is expected to be highly effective, enabling all students to make excellent progress. Our performance management systems and associated continuing professional development and learning (CPDL) are tailored to support excellence in teaching, focussing entirely on what good and outstanding teaching looks like in each subject across each key stage. We have a highly acclaimed NQT and ITT programme, recognised as outstanding. Furthermore, we have developed a programme to continue to support teachers in their second and third year with our Recently Qualified Teacher (RQT) programme. We have also developed and deliver an internal Excellent Teacher Programme (ETP) to support colleagues with their CPDL.

We invest in our staff and this has been recognised through the award in November 2015 of the prestigious Investors in People Silver status. This reflects our leadership, management, communication and training across the school.

Beacon Academy is on an exciting journey towards becoming an exceptional school. We are judged to be a good school with outstanding leadership. Ofsted and our results confirm this. Trustees, staff, parents and students know this. We have a rigorous, relentless and uncompromising focus on ensuring that all students leave Beacon with the best set of qualifications possible, equipping them for our rapidly changing, highly competitive but exciting world.

STAFF TESTIMONIALS

I initially joined Beacon Academy as a PE and Spanish teacher in September 2004. I was given the opportunity to develop my skills and understanding on how to become an outstanding teacher from my first year. Before commencing my teaching career I worked as a Personal Trainer in London and have not looked back since.

Over the years Beacon have given me many opportunities to develop my professional development having led on many areas such as Head of Year; Head of Key Stage; Head of Department (in two different subjects), Associate Assistant Head of Academy, Senior Assistant Headteacher focusing on Progress and Achievement and in my current role as Deputy Headteacher.

Beacon Academy is an amazing place to work because of the friendly and helpful staff, there is a strong culture of collaboration and support that allows everyone to develop their practice. The strong focus upon CPD provides everyone the opportunity to learn the latest cutting edge developments in education and this is a major benefit for anyone wishing to further develop their practice. Our facilities and new technology allow us to provide engaging lessons to provide our learners with the perfect learning environment.

I would recommend Beacon Academy to anyone wanting to teach in a school that favours aspirational ethics and outstanding practice, because there are so many opportunities for ambitious staff who are keen to collaborate, develop and share best practice in order to progress in their career.

Deputy Headteacher

I have thoroughly enjoyed coming to work at Beacon Academy. The commitment and dedication from the staff to ensure students are achieving, and going above in and out of lessons is amazing to see. As an NQT I received so much support from other members of staff and feel like I can ask anyone for help. The commitment and extra time given to the students is what makes Beacon such a good school to work in.

Teacher of Mathematics

At Beacon Academy, whether a student, a member of staff, a parent, carer or a trustee, we will all:

**Inspire one another
Believe in one another
Achieve our ambitions
Succeed in life**

The Computer Science Department

The Computer Science Department is a growing and evolving department within the Academy. We have a Head of Department who is full-time, supported by non-specialists at KS3. From this academic year all students at KS3 follow a Computing curriculum. The content we deliver at KS3 is constantly being updated and improved to help students of all abilities progress with their Computing and digital literacy skills. The successful candidate would be expected to teach across all key stages from KS3 to KS5.
