Dear Colleague

**Thank you for your interest in the post of
Teacher of PE at Abbeyfield School.**

I joined Abbeyfield School as Principal in September 2018 and feel very privileged and proud to be part of a school community of dedicated staff and rewarding young people. Through teamwork and a shared desire to support and challenge every student in order for them to achieve their personal best, we are building on the 2016 OFSTED 'good' judgement and the very pleasing 2018 outcomes. We have high expectations and aspirations of ourselves and of our students. Our Quality First Teaching Charter ensures a focus

on the quality teaching and learning. Alongside academic achievement we place a very high value on students' social and personal development, equipping them with the life and employability skills needed for successful adulthood.

Abbeyfield School is looking for an ambitious, experienced, committed and energetic teacher who shares our vision and values and can support the aims and ethos of the school and Creative Education Trust. This is an exciting opportunity to work with colleagues to make a significant difference to the next stage of our journey. There is a real commitment to professional development within the school and the Trust making this an ideal post for a colleague with career aspirations.

The PE Faculty is a strong, committed and supportive team led by Martin Gibbs. The faculty is very well resourced and is committed to providing a rich curriculum and a variety of learning opportunities for student including fixtures, competitions and leadership opportunities for students supporting cross-phase events. PE is a very popular option at GCSE and A Level.

We, like all schools in the Trust pursue a rigorous and continuous programme of educational improvement, alongside an aim to provide pupils with a rich programme of co-curricular activities. Abbeyfield offers a varied diet of curriculum and enrichment opportunities and students benefit from Trust organised events such as the key concept launch days, debate and essay writing competitions and our annual days of Shakespeare performance and the Day of Sport. We are often the host school for these events to allow students to work in a professional theatre space. We are keen to expand further on the opportunities we provide for students to develop their creativity, resilience and independence.

High expectations for behaviour for learning is supported by a fantastic team of Year Heads and a behaviour team of 7 non-teaching staff. There is a strong emphasis on restorative justice and praise alongside a rigorous sanction ladder.

I am passionate about students and staff having the opportunity to influence the future of the school. 'Ambitious to Achieve' was proposed by a Year 12 student and our new school values are the outcome of a students and staff vote.

We believe Abbeyfield is a very special place to work and we are excited about the future. As a popular and oversubscribed school we are expecting to be full in September 2019 despite an additional form of entry in Year 7. If you are passionate about what we are trying to achieve then I look forward to receiving your application.

Please include a letter of application, maximum 2 sides

Kind Regards,
Siona Robson, Principal

ABOUT CREATIVE EDUCATION TRUST

Creative Education Trust inspires and enables young people to build successful lives on foundations of learning, resilience and employability. We believe that a rewarding educational experience and the highest possible qualifications are the best way to ensure social mobility for young people.

Creative Education Trust is a growing multi-academy trust educating over 13,000 children in England. It was established in 2010 and has successfully transformed schools in England's post-industrial cities and coastal towns: areas of economic disadvantage and with a history of academic underachievement.

Creative Education Trust defines creativity as the ability to find connections between the things we know and turn these connections into new ideas and action. The academic arts and the sciences, practical subjects and life skills all need this creativity, and creativity is valued highly by employers. Our unique Knowledge Connected approach teaches pupils to analyse and understand their curriculum of study through the application of six key concepts.

You can watch a short video on what it means to be part of Creative Education Trust, illustrating our 'Knowledge Connected' approach to learning.
