Dear Colleague

Thank you for your interest in the role of Teacher at Wroughton Academies.

In December 2016, Wroughton Academies (Wroughton Infant and Wroughton Junior Academies) proudly became a member of the Creative Education Trust, which consists of eleven secondary and six primary academies in the Midlands and Norfolk plus a central team.

As a CET school, we have access to outstanding support from the very best experts in school improvement and professional development. Our children also benefit from cross trust enrichment activities and an innovative approach to cross-curricular development through the 'Knowledge Connected' programme.

Our mission at Wroughton Academies is clear – to ensure all children achieve excellence, through hard work, courage and academic performance. We achieve our mission through the excellent staffing team, alongside an outstanding programme of professional training and development and supported by a purpose-built staff training room.

We are a large and friendly staff team who understand the importance of a high-quality education to support all pupils to achieve their full potential. Our curriculum is therefore integral to everything we do. Using a systematic approach to teaching phonics, reading for pleasure and a fully immersed Talk4writing curriculum, we place a high priority on ensuring all children leave us with the necessary skills and passion for reading.

We have a strong maths curriculum, also integrated with a very clear maths calculations policy. For other subjects, we proudly adopt the International Primary Curriculum, which not only provides coverage of Science and all foundation subjects, but also has a specific focus on diversity, global and cultural awareness. We equally focus on music, Spanish, RE, PSHE and PE.

We are currently looking for a dedicated, forward-thinking, caring and driven Teacher, with a growth mind set, reflective approach and passion for ensuring that all children achieve excellence.

I look forward to receiving your application.

Yours sincerely,

C. Avieson

ABOUT CREATIVE EDUCATION TRUST

Creative Education Trust inspires and enables young people to build successful lives on foundations of learning, resilience and employability. We believe that a rewarding educational experience and the highest possible qualifications are the best way to ensure social mobility for young people.

Creative Education Trust is a growing multi-academy trust educating over 13,000 children in England. It was established in 2010 to work in England's post-industrial cities and coastal towns: areas of economic disadvantage and with a history of academic underachievement. We transform these schools by integrating a knowledge-rich curriculum with skills and creativity.

Creative Education Trust defines creativity as the ability to find connections between the things we know and turn these connections into new ideas and action. The academic arts and the sciences, practical subjects and life skills all need this creativity, and creativity is valued highly by employers. Our staff and expert advisers use imaginative methods for linking knowledge across subject boundaries, fostering personal development and resilience and developing practical skills that prepare students for their transition to adult life and employment.

Our aims for our students are to:

- ★ Raise their attainment in exams and tests through outstanding teaching
- ★ Make them intellectually curious with a sense of confidence
- ★ Increase their participation in HE, FE and apprenticeships
- ★ Ensure they have employable skills and attitudes
- ★ Create rounded individuals through a wide choice of co-curricular activities

We are achieving our aims through:

- ★ Educational rigour
- ★ Organisational effectiveness
- ★ Financial efficiency
- ★ Partnership & recognition of local identity
- ★ Respect for autonomous leadership
- ★ Quality not quantity
- ★ Promoting practical creativity

SUPPORT FOR OUR STAFF

Creative Education Trust is committed to providing our academy leaders with the highest quality support and challenge to ensure that their schools excel and give our students the education they deserve.

Our Principals and Headteachers have a good deal of autonomy as school leaders within a framework developed collaboratively with our Director of Education and our Director of Standards and Primary Education.

Each of the Creative Education Trust's schools benefits from a comprehensive programme of support and challenge, including working with former HMIs.

Creative Education Trust places a strong emphasis on CPD for teachers and for senior and middle leaders. We run a regular programme of training events to improve teaching performance and also provide focused management development and one-to-one coaching opportunities. We have an active cross-trust group on the Teaching Leaders programme and use Future Leaders and Teach First extensively.

We believe it is very important that each of our academies plans in such a way that financial and human resources are deployed to support their educational strategies fully. This is supported by our experienced Head Office team, who are available to advise on financial planning, audit, HR, legal and property matters either directly or by referral to our professional advisors.

Each of our Headteacher is a member of the Headteachers' Forum that meets regularly to help Creative Education Trust develop its ethos and strategy, and to share their professional expertise. As the network of Creative Education Trust schools grows, this forum has increasing value as a means of professional development and problem solving.

There are also a number of cross-group, phase leader and year-specific forums.
