

Our ref: RHO/EFO
September 2022

Dear Applicant

Teacher of Technology – 1.0fte (MPR / UPR)

Thank you for your interest in our Teacher of Technology position.

Chantry Academy is located at the heart of our local community, and is warmly supported by parents and carers. We have been oversubscribed for six consecutive years, and we are proud to be first choice school for the local area. It is an exciting time to join our Academy, as our PAN is increasing to cater for our growing popularity and our new East Wing opened in September 2022.

We are seeking a committed Teacher of Technology, who can inspire and enthuse our students to achieve their potential. You must have experience of teaching Three Dimensional Design, and experience of teaching a second subject would be an advantage. You will be required to have a good subject knowledge to support children in the full ability range teaching across ages 11 – 16, and be willing to go the extra mile for our students. The successful candidate will join a forward-thinking and ambitious department dedicated to improving the life opportunities of our students.

The Technology Department comprises of a Head of Department and team of specialist art, design and technology staff who deliver food, textiles, 3D design and graphics. There are also two technicians in specialist areas to support staff and set up lessons. The staff in Technology are a very positive workforce with a variety of skills and attributes.

With this letter, please find the job description, person specification and details of how to apply online. You will find additional information about our school on our website - www.chantryacademy.org

In your application, please ensure you outline why you think you are the right person for the role and how you meet the essential and desirable criteria in the person specification.

The closing date for this post is Thursday 16 March at 9.00am. We look forward to receiving an application from you.

Best wishes for your future.

Yours sincerely

R Hanson
