MATHS TUTOR (£30 per hour) **Part Time – Monday and Thursday mornings** **Required as soon as possible**

The Redhill Academy is a thriving and over-subscribed 11-18 academy with specialisms in the Performing Arts and Science. In March 2013 Ofsted judged The Redhill Academy to be an outstanding school. In addition, the school has been awarded Teaching School status, offering a wide range of opportunities for staff. The school is friendly and forward-looking, and determined to build on the high standards we currently achieve.

We are looking to recruit a highly skilled and committed tutor to work with identified students and small groups of learners to help them achieve their targets within the Maths curriculum.

The post would suit candidates who are either successful and experienced teachers looking for a change in role, or those who currently work as successful tutors in a secondary school setting. Individuals who are currently studying for a degree or post graduate qualifications in Maths or English are also welcome to apply.

Interested applicants should complete an application form and submit a letter of no more than one side of A4 outlining their suitability and interest in the post. Further details and an application form are available from Mrs L Clark, PA to the Executive Principal or from our website www.theredhillacademy.org.uk

Please telephone Mrs L Clark, PA to the Principal on 0115 9261481 for further details and an application form or email at l.clark@theredhillacademy.org.uk. Alternatively, please visit our website www.theredhillacademy.org.uk
