Riverside School is a mixed 11-18 school that opened in September 2012. We presently have 950 students on roll including sixth form. Riverside School is located in a new £45m state-of-the-art Campus building with superb facilities.

Our early success is a result of an absolute emphasis on learning, the brilliant parental support that we receive and our close-knit team of enthusiastic and incredibly talented staff. There is a real sense of passion and dynamism that students and staff bring to all that they do, making Riverside School a superb place to both learn and to work. Our 2018 performance places us 82nd for Progress 8 in the country with a score of +0.92. We are the leading school in the local authority on all DfE key measures.

As we have only one specialism at Riverside: learning. It is the focus of everything we do. Learning at Riverside is rich in challenge, characterised by superb student engagement and authentic learner interdependence. All of our students aspire to be the very best at whatever they choose to do in life and it is our vocation to ensure this is achieved.

We serve our local community with the very highest standard of education to ensure 'Excellence for All'.
