

Primary School Teacher

Job overview

We are looking for a dynamic Primary School teacher who is committed to the holistic growth of pupils. Staff are well supported by subject coordinators, a student engagement department and teachers of specialist subjects.

Interested candidates must fulfill the following requirements:

Post Profile

- Hold a degree in Primary or Early Years education, preferably with an EAL speciality;
- Have experience of teaching English as an additional language;
- Demonstrate excellent classroom practice that promotes inquiry-based learning;
- Command a wide range of digital tools for teaching, communicating and data collecting
- Possess excellent communication skills, spoken and written
- Possess excellent interpersonal and collaboration skills;
- Demonstrate a growth mind-set and positive drive;
- Some knowledge of Spanish would be advantageous.

Contract

- An initial two-year contract with flights to and from country of origin for appointee and close family;
- A salary paid in American dollars which is highly competitive for Latin America;
- Baggage, settling-in and Spanish tuition allowances;
- Private medical insurance for self and close family;
- Remission on school fees for children enrolled at our school;
- Excellent internal and external professional development;
- A very collaborative and collegial work climate.

Applicants should write to the Headmaster: recruitment@newton.edu.pe In the subject box of the email, they should write the title of the post for which they are applying. The names of three referees must be provided, including the current employer. We are a Safe Recruitment organization and shortlisted candidates will need to produce a police clearance certificate for every country in which they have worked.
