Dear Potential applicant,

The role involves the opportunity to teach Economics to our Key Stage 5 classes (Year 12 and Year 13) offering the Pearson International A-Level. The role will also include one class of Year 11 Business Studies working towards the Pearson IGCSE course. We are looking for a professional who can continue the excellent work of our team to date and help our students to strive even higher.

This role is currently being offered as a **Part Time** role (**60%** of a Full Time allocation) and would attract a **18,000€** salary per annum. However, there may be a possibility of Full Time for the right candidate.

At Laude San Pedro International College, we pride ourselves on delivering high-quality education and fostering a positive learning environment for all our students. We are looking for a committed and enthusiastic individual who can bring Economics and Business to life, engaging students through innovative and dynamic teaching methods. The successful candidate will have a strong subject knowledge, excellent communication skills, and the ability to support and challenge students of all abilities.

We provide ongoing professional development and a welcoming school community where staff and students alike can flourish.

Alongside the academic work, we would also be looking for a teacher who can contribute to our Pastoral system in school. In that sense, you would be a co-form tutor to a group within the Secondary system and would meet with this group in agreement with the main tutor. If you share our vision for excellence in education and have the enthusiasm and dedication to make a difference, we encourage you to apply.

Applications should be made through our TES listing directly. However, you can contact me directly using the email [j.short@laudesanpedro.com](mailto:j.short@laudesanpedro.com) should you have any questions about the role. The closing date for applications is **Sunday 31st August at midnight**.

We look forward to receiving your application.

Kindest regards,
