October 2017

Dear Candidate

Thank you very much for expressing an interest in the position of Key Stage Co-ordinator in the English Faculty.

English results at Key Stage 4 and Key Stage 5 have been excellent for several years. Whilst this post is for the management of Key Stage 4 in the first instance, the school seeks to develop expertise and would look at rotation of responsibility in the future.

We will be looking for a creative, organised and highly motivated candidate to join our English Faculty from 1st January 2018. The school has delivered both A Level English Literature and A Level English Language/Literature and both are popular and successful subjects post 16 although we would like numbers to be even higher. Media Studies is also very popular at GCSE and A Level with a TLR post holder working within the English Faculty.

Hatch End High School is a warm, vibrant and stimulating place to work. We are a lead school in teacher training and regularly welcome many trainees from the highly acclaimed TeachFirst Programme. Continuing professional development is at the core of everything we do and you would be joining an organisation which believes that Middle Leaders form the engine room of any school's success. All Middle Leaders are encouraged to pursue a wide range of leadership courses and we play a key role in a highly successful Teaching School Alliance. You would receive outstanding support from a dynamic Senior Leadership Team and be offered numerous opportunities to lead on wider whole school issues if and when desired.

Our website has comprehensive information on the many fantastic opportunities at the school I and would urge you to read this before applying. If you would like to discuss the role informally before submitting an application, please do not hesitate to contact hr@hatchend.harrow.sch.uk.

I very much look forward to reading your application.

Very best wishes.
