

Springfield Lower School

Class Teacher

Job Description

1. TEACHING

- To facilitate quality learning through quality first teaching.
- To provide a stimulating, challenging and well-organised classroom environment, embracing Independent Learning.
- To inspire young minds with rich, real experiences.
- To follow all school policies and procedures.
- To complete lesson plans and evaluations on time and in consultation with colleagues.

2. CURRICULUM

- To plan lessons according to school policies, the New Curriculum (2014).
- To ensure that lesson plans provide opportunities for fun and progression in all areas of the curriculum.
- To incorporate the use of I.C.T. across the curriculum where appropriate including I.W.B technology.
- To regularly evaluate plans and to use the information to develop the curriculum still further.
- To regularly maintain children's records of progress and attainment, and adapt plans to promote excellence.
- To continually assess children's learning, to identify next steps for learning and communicate clearly and positively with children.

3. GENERAL SCHOOL RESPONSIBILITIES:

- To play an active part in the life of the school.
- To work as a flexible member of a Key Stage team with a 'can do' attitude.
- To share responsibility with others for the organisation of display and resources around the school.
- To play an active role in staff meetings.
- To set high expectations for pupils' behaviour, attendance, progress and attainment.
- To maintain a high standard of discipline by developing focused teaching and positive relationships, and sharing skills expertise.
- To be willing to lead an extra-curricular activity.

4. TO WHOM RESPONSIBLE: The head teacher.
