

Dear Applicant

Thank you very much for the interest that you have shown in this position at Perins School. The successful candidate will have an important contribution to make to our growing and successful School and I hope that you will find the enclosed information helpful.

You will see from the information enclosed that Perins School is one that places individuals at the heart of everything we do, whether that be staff, students or the wider community. We are therefore committed to the well-being and professional development of all of our staff and, as such, we see this as the potential start of a new professional relationship with us. Following a wonderful journey of development and expansion, we are now a popular, oversubscribed 11-16 school that is highly regarded locally and nationally. In 2017, we were featured as one of Tatler's top state schools in the country.

Our ethos is one of 'working with' and not 'doing to'. Our staff choose to go the extra mile and, as such, our extra-curricular offer is second to none. We have ensured that through high quality provision we are known nationally for our sporting teams and activities with over 650 students regularly participating in sporting events outside of the school day. Over the past few years, we have also expanded our provision within the creative arts. The annual drama production in particular has been a great source of both personal and professional pride – and we can say with confidence that a Perins Youth Theatre production is so much more than just a 'regular school production'. Our reputation, in both the school and across the wider community, has grown exponentially with each drama production we have staged, and the positive feedback we receive year-on-year continues to surpass our expectations. In 2016, over 350 pupils auditioned for Phantom of the Opera. And this was surpassed in 2017-18 with over 400 auditioning for Beauty and The Beast.

The many other opportunities provided by all areas of the school ensure that hundreds of students remain on site until up to 6pm each day and this encourages positive working relationships between staff and students that are truly enabling. Participating in the extra-curricular activities has proven to be a wonderful experience for all those involved and one which we hope will stay with our staff and students for the rest of their lives.
