Application Form

- Applications will only be accepted from candidates completing the enclosed Application Form and Monitoring Form in full. CVs will not be accepted in substitution for completed application forms.

All applicants applying for roles in the Stamford Nursery School and Reception provision including after and before school care at the Junior School must read the following before signing the application form.

Information for Candidates

Keeping Children Safe in Education

The Statutory Framework for EYFS states that providers must ensure that people looking after children are suitable to fulfil the requirements of their roles. Providers must have effective systems in place to ensure that practitioners and any other person who is likely to have contact with children (including those living or working on the premises) are suitable.

The Childcare (Disqualification) Regulations 2009 states that schools may not allow people to work in the settings mentioned or to be directly concerned in their management, if they or others in their households are "disqualified".

In order to comply with these regulations the School is required to gather sufficient and accurate information about whether any member of staff or applicants for roles in the setting is disqualified by association.

For applicants to the roles covered by the legislation, candidates are asked to confirm that they are not disqualified by association, by virtue of the fact that they reside with someone who is disqualified.

What does this mean to me applying for this role?

When signing the application form you are confirming that you are not prevented from working with children in the setting as a result of being personally disqualified and that you are not disqualified by your association with someone else who is disqualified. This means anyone in your household including partners, children including foster children, house share colleagues and lodgers.

What are the grounds for Disqualification by Association?

If you live in the same household as someone who you knowingly has been cautioned for, convicted of or charged with certain violent and sexual criminal offences against children and adults, at home or abroad or other Orders have been made against them relating to their care of children or they have had their registration cancelled in relation to childcare or children's homes or have been disqualified from private fostering, then you must let us know that you might be disqualified by association at the point you complete your application form.

Living with someone who has a criminal conviction does not automatically mean that you will be disqualified from working in the Early Years setting, it is the nature of the offence that is critical in these circumstances.

What do I need to do?

If you know that you are not disqualified then you should sign the application form and submit this in accordance with the instructions on the form. If you know that you might be disqualified, you should contact the HR Department at the Stamford Endowed Schools, where you can speak confidentially with a member of the department who will be able to advise you.
