

## The Macclesfield Academy

Dear Colleague,

September 2021

Thank you for your interest in the post of Science Technician at The Macclesfield Academy. The Academy is a successful and expanding 11-16 school serving a diverse community in South Macclesfield.

This is an exciting time to join The Macclesfield Academy as we address the curriculum priorities raised by Ofsted in our journey to being recognised as an outstanding school. You will join a committed team in an ambitious, positive and supportive school environment.

As a Science teacher myself, I know what a huge impact a great technician can make to the team, enabling them to deliver high quality practical work to students in lessons. We will make sure you have the chance to develop your knowledge and skills, engage with local area networks and complete training with the National Science Learning Centre.

We believe in the very best education for every single one of our students and have high expectations of what they and you can achieve by working together. We will not settle for less! Being such a small school enables us to know all of our students which builds trust and a calm working environment for all to unleash their potential.

If you are motivated by making a difference to children's lives, thrive on pushing yourself and your colleagues to achieve more whilst being nurtured as part of a dedicated community, we would love to hear from you.

We are ambitious for all our staff and pride ourselves on developing leadership potential to enable you to grow. We will ensure that your hard work is rewarded with opportunities to flourish in our school.

Application is by TES standard application form. **The deadline for applications is 9am on Friday 17<sup>th</sup> September 2021.** Curricula vitae or open testimonials will not be considered.

The selection process will include the qualifications and ID checks required for us to undertake a full disclosure DBS check.

Please do not hesitate to contact me by email via the Headteacher's PA Lara Nolan [lara.nolan@macclesfieldacademy.org](mailto:lara.nolan@macclesfieldacademy.org) if there is any aspect of the post or the selection process you would like to discuss.

Yours faithfully

**Mathew Galvin BSc, MEd, PGCE, FCCT**  
Headteacher
